**GO SOFTLY.**

With every imaginable kind of practice duties claiming our attention—athletic, chorus, society work and what not—to say nothing of class work and with a more than ordinary amount of work confronting us there is need perhaps for an extra amount of caution. Let us have a care lest in this spring rush which is now on, we should so far forget ourselves as to "let the lid fly off," thus endangering ourselves and others. By exercising just a trifle more self-control, by thinking just a little more of the other fellow we shall all get on famously together, and emerge from the campaign now on feeling better and bigger for it.

**FRESHMAN CONTEST ON 20TH.**

The Freshman contest has been postponed from the 6th to the 20th. A number of able speakers have entered and an interesting contest is in prospect. Come early and get a good seat.

**BOOK OF VIEWS JUST OUT.**

The Book of Views of Guilford College has just come from the press of J. J. Stone & Co. The book is thoroughly artistic in appearance and shows in a very creditable manner Guilford's beautiful campus and buildings. The back is a mottled brown on which is stamped the college seal in gold. The paper is heavy cameo plate sepia, and the ink is a dark rich double-toned sepia. There are eight pages printed on both sides. The first page contains a general description of the college. The buildings then follow in order. There are some campus views, a number of interiors, of which the best are the society halls, and two athletic teams. The book does not exaggerate the beauty and completeness of the Guilford equipment and those who have not seen the college will get a good idea of it through this book.

**HIGH SCHOOL CONTEST NEXT SATURDAY.**

The eighth annual High School contest will be held in Memorial Hall next Saturday morning and night, April 13th. A number of contestants have entered. There will be a preliminary in the morning at which time four boys and four girls will be chosen for the contest in the evening. Two prizes will be awarded one for boys and the other for girls. A reception will follow the contest. All Guilford students are urged to remember that these contestants are our guests and that every possible courtesy should be shown them.

**TENNIS TOURNAMENT ON THE 20TH.**

A progressive tennis tournament such as was held here last fall will take place on the courts back of Cox Hall on Saturday afternoon, April 20th. All who are candidates for entrance to this tournament are expected to show what they can do during the next week or two. Eight boys and eight girls will be selected. Four days previous to the tournament the two lists of eight will be posted. Any one not on the list will have the right to challenge any one who is, and, by winning, take that person's place on the list. Partners will be changed every 10 minutes, the winners going on to the next count and the losers staying, except on count No. 1, where the winners will stay. Partners will be changed at each progression. Prizes will be awarded the two who win the most games.

**HERE AND THERE.**

Friends and acquaintances of Ruth Stanley will be glad to hear that she is now convalescent from a recent attack of pneumonia.

The first chorus is now at work on a cantata, "The Building of the Ship." This cantata will be given some time in the near future.

The result of the recent student government elections were as follows: President, Kate Smith; House President Founders, Clara Blair; House President, New Garden, Georgiana Bird.

**THIRD TEAM DEFEATS GUILFORD HIGH.**

While the varsity was whalloping Trinity and the second team was showing Winston how the game should be played the lowly third team concluded that three victories in one day was none too many for Guilford. Capt. Grissom's bunch of ball tossers put over some big league stuff, and astonished Guilford Highs with some dazzling plays. Walser is going to make Zach hustle for his job as first pitcher, while Babb would make Eddie Collins look like a decrepid snail when it comes to stealing bases. The score was 11-7 in favor of Guilford College.

The line up:

Guilford College Third—Grissom, 2b.; Smithdeal, 3b.; Joe Taylor, 1b.; Walser, p.; John Taylor, rf.; Babb, cf.; B. L. White, lf.; Newbold, ss.; Gilbreath, c.

Guilford High—Mackie, ss.; K. Terrell, c.; Kendall, 2b.; B. Terrell, p.; F. Lindley, 1b.; J. Ferrell, 3b.; Lindley, cf.; R. Ferrell, lf.; McCracken, rf.

**SECONDS DEFEAT WINSTON HIGH.**

The Guilford College second team upheld the college standards in a decidedly creditable manner last Friday afternoon when it defeated the Winston High School aggregation, contender for the State High School baseball championship, on the Winston home field by the score of 8 to 6.

After the first inning, in which the High School made one run on three errors, Guilford took the lead and was at no time seriously pushed, tho the local team at times had flashes of form that threatened to materialize.

Barnard pitched a steady heady game for the Guilford Scrubs, improving as the game progressed, taking it easy on the whole but tightening up noticeably when necessary. Crute for Winston was replaced after the third inning by Anderson, who pitched a creditable game, but was hit with regularity by the Guilford team. Ogburn, Dorsett, Dye and Bulla starred on the field for Guilford; Dalton and Pulliam for Winston.
