TREATY CRITICS SCORED BY PROFESSOR LUNT

Haverford Educator Pays Great Tribute to Wilson.

Critics of the Treaty and League who see in them only evidence of English and French imperialism were severely scored by Professor William E. Lunt, of Haverford College in a lecture before the student body last Saturday evening. Professor Lunt was one of the group of experts who accompanied the American delegation to the Peace Conference and speaks with authority of the difficulties and achievements of the conference. He stated without reservation that the delegates in general and the "Big Four" in particular were actuated only by the highest motives and desire for a peace of justice to all.

The difficulties which faced the conference at its opening were tremendous. Pessimistic correspondents were cabling gloomy reports to their home papers even before the delegates arrived. With the arrival of the delegates troubles increased. In charmingly realistic manner the speaker told of his experiences in getting established in his Paris office. Meanwhile to the chagrin of the newspaper world the days passed without the conference being formally organized. However, they were not days of idleness. The delegates were getting acquainted and during those preliminary days the memoranda demanded of the experts indicated that many of the most important problems of the Treaty were being argued out in informal conferences. The conference could have proceeded no more rapidly if it had been organized immediately on the arrival of the delegates.

Professor Lunt gave a very graphic picture of the Council of Ten at work and told of its relation to the plenary session of the conference. The advent of the Council of Four to replace the Council of Ten he described as necessary to prevent premature publicity and also to insure greater speed.

The very real perplexities which arose in applying the Fourteen Points were very clearly presented. Boundaries drawn with reference to racial determination were often almost impossible. For instance, in large sections Germans and Czechs have an unfortunate habit of living in the same towns. After lines between nationalities are drawn one side or the other may enter a protest against the data used in preparing the decision. Economic questions were even more difficult to handle.

The lecturer paid a great tribute to President Wilson and went on to state that his presence at the conference was most fortunate, not only on account of his authorship of the

OLD GIRLS DEFEAT NEW GIRLS 19-9

Fast Game—Good Passing on Both Teams.

In a snappy and exciting game that was characterized by close guarding and good passing on both sides, the team representing the first year girls went down to defeat before a picked team from among the old girls. This was the first public game of the season for the Quaker Maids and it must be said that they showed a brand of team work and playing that was a tribute to their training.

Ed. Raiford was the star forward for the Old Girls, six field goals and one foul being counted in her favor. Donna McBane as guard and Esther White as center also played good ball for the Old Girls. Both displayed good team work in passing. For the First Year girls Edith Macon as center and captain and Allene Johnson as forward showed up the best brand of ball. Ruth Finch was fast at getting the ball, but had hard luck in her shots.

The New Girls had the lead at the close of the first period, but could not stand the pace set for them by the Old Girls in the second and third periods.

The lineup:

QUAKER QUINTET DOWNS DAVIDSON 30-22

Greensboro "Y" Beaten by Large Majority--Eastern Invasion Results in String of Defeats--Good Rooting Helped to Win Davidson Game.

In one of the most hotly contested games of the season Guilford, Monday night of the 26th, defeated the Presbyterian court squad by the score of 30-22. The game was full of spectacular plays from beginning to end. Frazier, Guilford's speedy and wiry right forward, was the most luminous star of the game, the score showing five field and six foul goals to his credit. The whole team, backed as they were by the continuous cheering of their supporters, played a good game from start to finish. Anderson especially did some fast and plucky guarding. Newlin showed good judgment and team work.

For the losers Hall and Striebeck shared honors in scoring. The former, however, had slightly the advantage in his long shots.

Davidson started the game with things breaking in their favor, they rolling up five field goals in as many minutes. Anderson, however, broke the hoodoo for Guilford by pocketing a field goal from the center of the floor. The Quakers then got into the game and at the end of first half brought the score to 15-13 in their favor.

Guilford came back strong in the second half and with Zack and Newlin feeding the ball to Frazier soon established a lead that Davidson was unable to overcome. Smith also rolled in a couple of nice ones in this period.

The lineup:

Guilford.	Position.	Davidson.
Frazier, 16.	R.F.	Roberts, 4
Zachary, 4.	L.F.	Brice
Newlin, 4.	C.	Striebeck, 8
Smith, 4.	R.G.	Hall, 8
Anderson, 2.	L.G.	Chalmers, 2

Substitutions—Davidson: Crawford for Brice, Shepherd for Chalmers, Romefelt for Striebeck.

Referee: Stuart, Guilford. Umpire: McAllister, Davidson.

Guilford Piles Up Large Majority

Against Greensboro Y. M. C. A.

Guilford somewhat overwhelmed the Greensboro Y. M. C. A. the Friday night before Exams. The visitors were outclassed from the start but put up a plucky defense to the finish. John Gurney Frazier played stellar ball for the Quakers. He alone tossed in enough goals to beat the visitors. Greensboro showed good form in passing. Final score was 53-24.

The lineup:

Guilford—Zachary, L. F., (16); Frazier, R. F., (32); Newlin, C.,

(4); Cox, R. G.; Anderson, L. G. Substitutions: McBane for Cox, Lineberry for Anderson.

Greensboro "Y."—Jones, L. F., (14); Denny, R. F., (4); McCauley, C., (4); Preston, R. G., (2); Clary, L. G.

Substitution: Gregory for Clary. Referee: Stuart of Guilford.

Trinity Wins by Big Margin.

Guilford lost the first game of the Eastern trip to Trinity, January 29, by a score of 36 to 16. The game from start to finish was crowded with fouls, most of which were officially unnoticed. At no time did the Quakers take the lead in scoring. The miniature court on which the bout was played prevented any development of spectacular playing. At the end of the first half the score stood 9 to 15 in favor of Trinity.

The lineup:

Guilford.	Position.	Trinity.
Frazier	L.F.	Giles
Zachary	R.F.	Starling
Newlin	C.	Richardson
Smith	R.G.	Martin
Anderson	L.G.	Hathaway

Substitutions—Guilford College: Cox for Smith. Trinity: Moore for Starling, Ferrell for Giles.

Field goals—Zachary 2, Starling 3, Giles 2, Ferrell 2, Richardson 4, Martin 3, Newlin 2, Frazier 3.

Foul goals—Frazier 2 out of 6, Martin 8 out of 10.

Referee: Bob White, Durham.

N. C. State Overpowers Guilford, 44 to 25.

The Guilford basketball five was defeated by the strong N. C. State quint in Raleigh last Friday night. Guilford started the scoring and surprised the audience by holding the lead for the first few minutes of play. Both teams passed well throughout the game. For Guilford Zachary and Newlin played a good game. Anderson also played in his usual consistent manner. The bulk of the guarding fell upon him, and had he received proper aid the game would have been won by a much smaller margin. For State College Ripple and Groome played the best ball. The clean and manly way in which State's team played and their splendid reception of the visiting team was particularly impressive.

The lineup:

Guilford.	Position.	N.C. State.
Zachary	R.F.	Ripple
Frazier	L.F.	Deal
Newlin	C.	Groome
Anderson	R.G.	Cline
Smith	L.G.	Gurley

Substitutions—Guilford: Cox for Smith. N. C. State: Park for Gurley.

Scoring—Field goals: Frazier 3,
