## ZATASIANS DELIGHT THE WEBSTERIANS

EXCELLENT PROGRAM AND  
ROYAL RECEPTION

One of the most successful entertainments of the fall was staged Friday night when the Zatasian Literary Society acted as hostess to the Websterian Society. Transported from the realm of dry debate to the atmosphere of an excellent program was the culmination of a week of anxious expectation on the part of every Websterian.

The program which was rendered in Memorial Hall far surpassed any witnessed by the Websterians on any such occasions. Its intrinsic value, its noble character, and the admirable way in which it was rendered gave every "guest" a thrill of pleasure. It was a program rendered by the talented Zatasians whose untiring perseverance makes everything they undertake a success. It was full of mirth, joy, patriotism and love. Everyone was given a beautiful little program, a miniature ship representing the Mayflower, on the inside of which was written the program and menu. The following program was given:

I. Instrumental—Concert Waltz—Virginia Osborne.

II. Pantomime—Courtship of Miles Standish—Ten girls.

III. Vocal Solo—At the Sundown—Marjorie Williams.

The second number recalled in a very impressive way the courtship of Miles Standish, the struggle of the early colonists, their pleasures, their joys, and their sorrows. In scenes fitting to the occasion was enacted in real life the vain attempts of Miles Standish to win the hand of the fair Priscilla.

After the rendition of this program couples journeyed to the parlors at Founders, which were tastefully decorated in autumn colors, and here under the mellow lights the following menu was served:

I.  
Fowl of the Meadows  
Something to Be Thankful for  
Scarcity

Fruit of the Forest

II.  
Delight of the Harvest  
Time with Extravagance

III.

Brewed Favorite with Superfluity

This afforded much curiosity and questioning, but on receiving the dainties, curiosity fled and contentment and appreciation reigned for, "Fowl of the Meadows," was transformed into chicken salad and hot rolls, "Delight of the harvest," pumpkin pie with whipped cream, "Brewed Favorite and Superfluity," coffee, mints and almonds.

## MISS JULIA WHITE RESUMES DUTIES AT LIBRARY

Miss Julia White has resumed her duties at the College Library, since the death of her sister, Mrs. Elizabeth Nicholson,

Mrs. Nicholson has lived in the home of her two sisters, Misses Julia and Adelaide White, for the past five years.

## The Quaker Eleven Triumph Over Elon

Last Game of the Season

## Tom Cox the Star of the Game

In a close hard fought battle in Cone Park, Greensboro, N. C., the Guilford College foot ball eleven defeated the Elon College aggregation 7 to 3. This is the second time in two successive years that several hundred Elon students and supporters have abandoned hopes of after-game-celebrations and returned to their rendezvous with broken hearts.

The Guilford team entered the game greatly handicapped by the loss of some of the best men on the squad. Not one of the four men who played back field against Lynchburg College was in his regular position until the last quarter. Murray White, the big half back who has played the line of almost every team that Guilford has played this year was out of the game an account of injury received in practice. J. C. Newlin who had done such spectacular work in every game until he was injured at Wake Forest was unable to get into the game. Grady McBane, star of the Roanoke and Lynchburg games, has been unable to leave his room for the past two weeks, and was unable to attend the game. Jim Newlin, captain of the team did not enter the game until the last quarter due to recent sickness. Raiford the regular backfield man was shifted to right end. Tom Cox, injured in the first game of the season had given up hopes of playing any more this season until he saw how badly handicapped the team was. Without preliminary training and little signal practice he threw himself into the game and won for himself the admiration of the hundreds of spectators, and the distinction of being the individual star of the game.

With these serious handicaps, Coach Doak filled up the gap with second string men and sent them out against Coach Carboy's full strength team with no thought of losing.

The game began with Elon kicking to Guilford. During the first period neither side gained any decided advantage. Elon failed to make a single first down, and Guilford only one when B. L. White dashed around Elon's left end for a twenty five yard gain.

During the second quarter Elon attempted a pass near the middle of the field, but White, the speed king of the day snatched the pig skin from the air, raced around Elon's right end, down the side line, only a few feet from the throng of petrified or fainting supporters of the Maroon and Gold, to the last of the white lines, fifty-five yards from the place of interception. Stout then

sent the ball squarely between the goal post.

Guilford then kicked to Elon. It was during this quarter that Perry in a well-directed place kick sent the ball between the posts for Elon's three points of the game. After the second quarter neither side was able to score.

During the third quarter neither side gained any decided advantage. In the early part of the last quarter Elon started her only aggressive move of the game. The Guilford line seemed to weaken for a period and the ball was carried dangerously near the Guilford goal line. Elon's impatience kept her back. Penalties for offsides pushed the team back. Elon attempted a forward pass which was incomplete and at the same time another offsides sent her back further from the goal of their hopes. The ball was lost on downs. Zachary and "Jim" Newlin entered the game at this time. Raiford was shifted to the regular position as full back. Guilford then started a steady promenade up the field and near the side line packed with supporters of the Crimson and Gray, toward Elon's last white line. Only a few yards from the goal line, after nearly seventy yards had been traversed in four minutes play the timekeeper's whistle blew taps over the hopes of Elon, and reveille to the victorious shouts of the Guilfordians.

Tom Cox was the individual star of the game. Though suffering from lack of daily training, this tough gridiron veteran tore through Elon's line time after time, scattered the interference and threw the backfield over for losses. E. McBane performed the same feat many times. These two tackles were the main parts of Guilford's defensive. B. L. White was Guilford's main ground gainer. Beside his fifty-five yard run with an intercepted pass, he made several long end runs. Nearly two thirds of the ground gained by Guilford was due to White's speed.

This game, is the last of the season for Guilford. It is also the last game in which Capt. "Jim" Newlin, "Buddie" Tremain, "Roxie" Tremain, "Jew" Raiford and B. L. White, will play for Guilford as these five men are members of the Senior class.

For Elon Johnson, Marletto and Perry were the most aggressive players. The amusing feature of the game was the contrast between Odom, Elon's big two hundred and fifty pound center, and his opponent, Buddie Tremain, but little more than

(Continued on page 3)

## PRESIDENT BINFORD AND PRESIDENT EMERITUS HOBBS BACK HOME

DOCTOR HOBBS ILL FOR  
MANY WEEKS

STUDENTS CELEBRATE

The victory over Elon was not the only news that gladdened the hearts of Guilford students last Saturday, for President Binford came home from the hospital in Greensboro and Doctor Hobbs landed in New York. So the bonfire Saturday night was an appropriate event with which to close the day.

PRESIDENT BINBORD

President Binford has been away from the college three weeks. He was taken to St. Leo's hospital on the evening of the Hallowe'en Social. Few of the students knew about his illness before Sunday morning after the Social. He stood the operation very well and his condition is much better. His many friends, both outside the college and those connected directly with the Institution are glad he is at home again and hope for him a speedy recovery.

DOCTOR HOBBS

Doctor Hobbs sailed for London early in August to attend the All Friends Peace Conference. The trip across the ocean was very pleasant and Dr. Hobbs landed in apparently good health. However between Southampton and London he was taken ill and carried to the home of one of the English Friends, William Allen Baker, a member of the British Parliament, who was very kind to him. From this home he was carried to the Nurse's Hospital in London near Westminster Abbey. Here he underwent two operations quite successfully, but did not recover as fast as his friends had hoped he would. Due to his illness he was not able to attend any of the sessions of the Conference. His son, Dr. Wilson Hobbs, a member of the faculty of the North Carolina University, sailed for London soon after Dr. Hobbs was taken ill. He remained with him during the entire stay and accompanied him home.

To its many blessings this week for which the college is thankful, it will have the privilege of adding the recovery of Dr. Binford and the home-coming of Dr. Hobbs.

## GUILFORD TO DEBATE HAMPDEN-SIDNEY COLLEGE

Hampden-Siding College has accepted the challenge of the Guilford Debating Council, to engage in a debate some time after Christmas. The question for debate, and the time, have not been definitely decided upon, but these matters are now being made through correspondence. The tryant for the debating teams will be held at an early date.
