## DURHAM "Y" DEFEATS GUILFORD

### The First Game on the Local Floor.

Guilford lost the second basketball game of the season, January 12th, when the Quaker quint met the fast Durham "Y" team on the local floor. The game was a hard fought contest, but the visitors fairly out-chased the locals in team work, which accounted for the fifteen point margin held by the Durham men at the end of the game. This was the finest exhibition of team work shown on the local floor in several years. This fact accounts for no outstanding star. The entire team worked as one. However, Mangum led in the scoring, he having six field goals and two fouls to his credit. He was followed closely by Perry and Knight who had six and five field goals respectively. Cline a former N. C. State man played a wonderful game at guard he also scored six points from the field, all of which were long shots.

For Guilford Captain Frazier was the outstanding star. The forward scored nineteen of his team's points. Big "Zac" played a hard game but was kept from shooting by the excellent guarding of Cline. Cox also guarded well. It is not to be thought that Guilford's basket ball season is to be a failure on account of this defeat, for the Quakers will hardly meet with so formidable an aggregation again this season.

#### The line-up:

Guilford: Zachary, r.f.; Frazier, l.f. Newlin, c.; Wall, r.g.; Cox, l.g.

Durham "Y": Mangum, r.f.; Perry, l.f.; Knight, c.; Cline, r.g.; Heplin, l.g.

Field goals—Mangum 6; Perry 6, Knight 5, Cline 3, Heplin 2, Starling 1, Zachary 4, Frazier 7, Newlin 2, Wall 1.

Foul goals, Mangum 2, Frazier 5. Substitute, Starling for Perry, Referee Stuart.

## BASKET BALL SQUADS ORGANIZED INTO LEAGUES

### Everybody has a Chance to Play

The interest that has been shown in basket ball since the holidays has been marked. Not only has the varsity been putting in some hard practice in preparation for the season's contests, but the eight quints, which have recently been organized by each Doak for a series of inter division games have been doing some work that deserves special mention.

Coach Doak's purpose in arranging these games is to stimulate interest in this sport among those who do not ordinarily take part in athletics. Under this plan much hidden talent will most likely be brought to light. Every man in the college will have a chance to play as a member of one of these teams. Playing on a team is always a stimulant to one to do his best. And those who show up best in these games will eventually compose the material from which the varsity will be selected.

The schedule is arranged so that each of the eight teams will play every other team, thus making twenty

## PROFESSOR MILLS LEADS Y. M. C. A. PRAYER MEETING

At the last meeting of the young Men's Christian Association, Professor Mark C. Mills gave a short discourse on things of general interest to the young men. Professor Mills in a mild way criticised the local organization for some of its failures. The leader's talk was not all criticism. He made many inspirational remarks to the boys in college, trying to instill into them a knowledge of their surroundings, the significance of their obligations to the people at home, or the college which they now attend and to the communities which they will enter on leaving school.

## SYLVESTER JAMES SPEAKS TO NEW GARDEN MEETING

Sylvester James, at the present time, one of the secretaries in the Friend's Forward Movement Work, and for many years a missionary to Cuba, spoke to the Friends of the Guilford community and a small group of the college people, last Sunday night. Mr. James has been in North Carolina a number of days in the interest of Foreign mission work.

He is a nephew of Dr. Thomas Newlin who at one time was president of Guilford College.

Mr. James spoke briefly concerning the Friends' work in Cuba and Mexico, and of the needs in these places and in the United States, among the Indians and among the negroes.

## CAMPUS NOTES

Misses Martha Lewis and Sadie Thompson of Winston-Salem were visitors at the college Saturday and Sunday.

Miss Ethel Lovett, Secretary to the college President during two school years from the fall of 1918 to the spring of 1920, was a visitor at the college during Saturday and Sunday.

Miss Edith Harrison spent Saturday night and Sunday at Guilford.

Many old students and alumni witnessed the game between the Winston Y. M. C. A. team and Guilford last Saturday night, January 22nd. Among these were Tuby Casey, Edgar McBane, John Taylor, Miss Grace Taylor, David White, Glenn Smith-deal, Miss Clara Blair.

J. T. Zachary, one of the main pitchers of Manager Griffith's Washington American baseball club during the past two years, has left school for this year. "Zach" as he is generally known will begin training for the coming season the first of March. The fact that his spring term school work would be but little more than begun at the end of February, accounts for his leaving college at this time.

## GUILFORD POST OFFICE

Guilford has a new Post Office, all her own! It is located in Memorial Hall opposite the Chemistry and Biology lecture room. There is a new, shining box for each student and how they long daily to see it full of mail. Miss Gertrude Hobbs is postmistress.

## WINSTON "Y" DEFEATS GUILFORD 34 to 28

In a hard fought and close game Guilford lost to the strong Winston Y. M. C. A. team Saturday night.

Lindley and Mackie playing their first Varsity game started the scoring with a whirlwind attack that put Guilford in the lead at the beginning of the game. This lead was overcome however just before the half ended, the score standing 12 to 12. Again at the beginning of the second half Guilford started off in the lead but was able to maintain it only a short time before Winston passed the Quakers by. When the final whistle blew the "Y" team had rolled up 34 points to the Quakers' 28.

Guilford was very weak on shooting foul goal only two being pocketed out of ten attempts. Martin for Winston succeeded in dropping five through the basket out of nine trials.

For Guilford Mackie, Lindley and Cox played stellar ball. Clay coming in as a substitute for Winston was the best individual scorer securing six field goals. Martin also played a splendid game at guard.

#### Line-up:

Guilford	Winston "Y"
Lindley, right forward,	Benbow
Frazier, Left forward,	Terrell
Mackie, center	Groome
Cox, left guard	Martin
Wall, right guard,	Jones

Substitutions, Guilford; Raiford for Cox, Newlin for Raiford, McBane for Newlin, Winston "Y" Clay for Benbow, Benbow for Martin.

## NEW COURSES GIVEN THIS SEMESTER

A number of new courses are being given this spring. Professor Dann will give a new course this semester "the History of Quakerism" dealing with the movement from the origin to the present time. Particular attention will be given to the period preceding George Fox.

A Biographical study will be given of several of the outstanding characters as well as the present situation.

Miss Polk will give a new course in English which will be a study of the modern novel and drama. The course will consist primarily of lectures and reading.

## SALOONS AND COLLEGE STUDENTS

"The closing of saloons is sending many young people to college." Thus declared William Jennings Bryan in a recent interview with a reporter for the Ohio State University Lantern. "Five years ago we spent three times as much money on intoxicating liquors as we did on education. A part of that money at least has been diverted to educational channels. Five years ago less than ten per cent of all the pupils in the common grades entered high school, and not over two per cent ever went to college. If only four per cent now go to college, we can see why the university halls are filled to overflowing."

## MARCUS KELLERMAN

The recital given in the auditorium at Memorial Hall Saturday evening, January fifteenth, by Marcus Kellerman was one of the best entertainments that has been given at Guilford this year. Mr. Kellerman is an Armeridian baritone, formerly of Royal Opera, Berlin and of Hammerstein, Manhattan Opera Company of New York.

He has a voice of power and great beauty and his experience in the world of music is unusually extensive, not only as an opera singer and recitalist of distinction, but an oratorio singer who has a fine record to his credit.

Although the songs sung by Mr. Kellerman were given by a finished artist, their charm was enhanced a great deal by the personality of the singer. He is endowed with many of those qualities that attract an audience. His personal magnetism and the sincerity, sympathy and humor which was expressed through his singing won the admiration of his audience.

The program selected by Mr. Kellerman was appreciated very much by the students. It was one that all could understand. Only two numbers were sung in a foreign language. However when Sylvia was sung as an encore Mr. Kellerman captured the hearts of his listeners.

The playing of the accompanist, Miss Beatrice Lynn Byrd of Guilford College added to the excellence of the program. Miss Byrd played especially well. The following is the program:

- I. a. Today and Tomorrow—Homer N. Bartlett.
- b. Alone—Winter Watts.
- c. My Choice—Charles Denee.

Some helpful remarks on the subject of missions were given by members of the Association.
