## Home and School Club Gives Entertainment

Unique Program Rendered by that Organization

The faculty, students and community people of Guilford College were entertained quite amusingly at Memorial hall on Friday evening, Feb. 11, by the members of the Woman's Home and School club.

The program was of an unusual type bringing much applause from the beginning to the end.

The ladies appeared on the stage dressed in costumes of the typical High School Girl—short dresses, ribbons, bows, and frills. After they were seated in a semi-circle, an elderly lady, presumably the mother of these jolly girls, told the story of their travels throughout the country. This was followed by songs, speeches, recitations, solos and duets. The songs were accompanied by various musical instruments, imitative of a real orchestra. These instruments varied from an ordinary hat rack (accordion) to a small tin bucket which served for a drum. Several numbers were played by the instruments alone. Some of the songs were "Home Sweet Home" "Long, Long Ago," "Coming Through the Rye," "Yankee Doodle," and others quite familiar to every one. The entire program was one of laughter and fun, and one of the most enjoyable entertainments Guilford people have experienced for some time.

## DR AND MRS. BINFORD ENTERTAIN FACULTY LITERARY CLUB.

The Faculty Literary Club met at the home of Dr. and Mrs. Binford on Tuesday evening, February eighth. At this meeting the following poets were discussed: Alter Brodi, Witter, Bynner and William Rose Benet. Professor Newlin read a paper on Brodi, Professor L. L. White had for his subject, Bynner, and Mrs. Ancombe, Benet.

Alter Brodi is a Russian Jew. His first book of poems was published when he was only twenty-five years old. He is a realistic writer and shows an intense love for his country and his people in his poems.

He likes to dwell upon the scenes of his childhood and the ordinary things connected with this period of his life; such as family, his friends, and his home town. His poems are dedicated to Russia. Professor Newlin read a report from Untermeyer's criticism of Brodi, also some representative poems.

Professor White gave a sketch of the life of Bynner and read several of his poems from, "The Grandstone Poems," Bynner's poems are especially noted for the condensed thought in them. Few of them are longer than two stanzas.

William Rose Benet the subject of Mrs. Ancombe's paper is a New Englander. He was educated at Oxford and has worked as a newspaper man. Benet has a very peculiar blend of realism and symbol-

## Old Girls 24; New Girls 2

Old Girls Win Initial Game of Season.

In a hard fought game, that was full of "pep" from beginning to end, the New Girls suffered a defeat at the hands of the Old Girls on Wednesday evening, February the ninth.

The game started off with unusual interest, the New Girls scoring in the first few minutes of the first third. But when the whistle blew at the end of the first third the score stood 12-2 in favor of the Old Girls, and they kept a safe margin throughout the rest of the game.

Although the New Girls were considerably outclassed, they showed a spirit and determination that is to be commended.

The outstanding features of the game were the efficient guarding and team work of the Old Girls. At the end of the game the score was 24-5 in favor of the Old Girls.

## COUNTY EDUCATORS MEETING

### Dr. Binford and Dr. Hobbs Attend Meeting in Greensboro

Dr. Hobbs and Dr. Binford attended the meeting of County Educators held in Greensboro, Tuesday morning, February 8. Superintendent Foust, who has been Superintendent of Public Instruction for Guilford County for several years, presided at this meeting. Beside the other work accomplished by this conference, the delegates voted to recommend a bill to be passed by the state legislature giving Guilford County an opportunity to vote on a county special tax. This form of tax is of great value to a county for under it all the schools in the county make equal progress. Also the County Superintendent and the County Board of Education have the power to consolidate schools. At present there are only three counties in the state that have the county special tax. These are Wilson, Beaufort and New Hanover. The bill for New Hanover also includes a County wide building plan. This point is recommended in the Guilford County bill.

Superintendent Foust pronounced this meeting the most successful of its kind, that has been held during his term of office.

The most curious thing in the world is a woman who is not curious. Old friends are like cheese—the strongest.

## The Crimson and Gray Team Wins One and Loses Two.

GUILFORD AGAIN DEFEATS N. C. STATE

Loses To Wake Forest and To Durham

The Crimson and Gray basketball squad left Thursday morning for a three-day trip and returned with one victory and two defeats.

On Thursday night they met the strong Wake Forest team and were defeated 42 to 14. The Quakers were outclassed both in speed and in shooting. The game was not an interesting one, as the score indicates, due to the superior work of the Wake Forest team. Along with the unusually slow work of the Quakers.

The Old Gold and Black possess two excellent forwards in Springfield and Greason. These men showed a speed and accuracy in shooting that is not often seen on a basketball court. Heckman, at guard, played his usual consistent game.

Guilford showed no outstanding star in the contest. The forwards were covered by the Wake Forest guards and the Guilford guards seemed unable to stop the lightning-like smoke of the opposing forwards.

### Guilford Again Swamps N. C. State

Guilford met the N. C. State team in the Auditorium at Raleigh, Friday night, and defeated them for the second time this season, despite the fact that State's team was materially strengthened by the return of Groome to center, while the Quakers were weakened by the loss of Cox who was injured in the Lenoir game.

The game was a fight from the beginning, although Guilford led in the scoring during the entire game. At the end of the first half the score stood 13 to 7. At the beginning of the second half, State switched its line-up and started a rush which was immediately stopped by the Quaker guards; and in turn an offensive was started by Guilford, which quickly netted four field goals.

The Techs unable to tie the score, rushed in fresh men in a last attempt to gain. These men, with a rush and with the aid of Guilford's fouling were able to run the score up to 18 while the Quakers ended the game with 25 points to their credit.

For Guilford there was no single outstanding star. The scoring honors were about evenly divided between Frazier and Lindley. The guarding was better than usual.

For State Groome played the best game.

Referee. "Chick" Doak.

### Quakers Overwhelmingly Defeated By Fast Durham "Y" Team.

On Saturday night the Quakers met the gast Durham "Y" team and received the worst defeat of the season at the hands of the "triangle" men. Guilford's team was somewhat showed by the two previous games, while, according to supporters of the "Y", its team showed better form than at any other time of the season. The passing was superb, the shooting was spectacular and the guard work was the best seen on the "Y" floor during the year. Guilford seemed powerless before this onslaught and at the end of the first half the score stood 33 to 0. But in the second half the line up for the crimson and gray was switched and they succeeded in scoring eighteen points. Of these J. G. Frazier shot four, J. W. Frazier two and McBane and Stout one each.

Perry and Mangum for Durham played an excellent game. But to Cline, the fast guard, goes the credit for holding Guilford's goals to such a low number.

### Line Up.
