EDITORIAL

Guilford will meet her old rival in baseball on Monday, March 28. Last year the "Crimson and Gray" handed the "Maroon and Gold" the bitter end of the game on egg day. Every student should be there to help do it again this year.

MINSTREL, APRIL 2nd.

The students have been listening with keen interest to the accounts of Japan, given by Mr. and Mrs. Gurney Binford.

DARKTOWN CUTS LOOSE APRIL 2nd

The annual Negro Minstrel is to be held April 2, in Memorial Hall. This is an exposition given by the Young Men's Athletic Association. Though the whole performance seldom has a classical appearance, the minstrel requires an expenditure of much time and hard work. This sacrifice is donated by those who compose the minstrel club, to the Athletic Association. The jokes given are mostly original, and many of them local. The music is presented only after weeks of constant practice. So April 2nd will be the time when you may see the biggest show of the season.

BONES, SNOWBALL, AND THE THE WHOLE GANG—APRIL 2nd

Hundreds of people come to Guilford almost every Sunday. Those who stop comment on the beauty of the campus and the pleasant atmos-

phere of the place. But in speaking to their friends, the visitors invariably ask one question, "What do you do on Sunday?"

Some students may answer this question correctly by saying they sleep the time away. To many of the students, however, Sunday is one of the seven busy days of the week with just a change of program.

On Sunday there is the regular chapel, conducted by the two Christian Associations, held at 9:30. Sunday School for the girls in Founders Hall and for the boys in Cox Hall follows chapel. Eleven o'clock is the regular preaching hour. During the afternoon the library is open for two hours. At seven o'clock in the evening the regular meeting of the Christian Endeavor is held.

Then to some of the students Sunday is not a dull day.

THE "CLEAN-UP" SPIRIT IS STILL ACTIVE

The wonderful spirit of co-operation which was on the campus, Thursday afternoon, of Clean-Up Day still remains in the hearts of many loyal Guilfordians.

The Faculty helped Miss Julia White, the Librarian, clean her lawn, one afternoon during the past week. They also worked on Dr. Binford's lawn one afternoon. Dr. Binford reports that their work has been very efficient.

JUNIORS ARE GIVEN A SPLENDID ENTERTAINMENT

It was surely a jolly set of "Jolly Juniors" that two and two wended their way to the home of Mrs. George White at 6:00 o'clock on Tuesday evening, March 15, 1921. Knowing that there was something in the air (and probably in the kitchen, too), and yet not knowing exactly what, caused the excitement to run high.

Having reached the place about which the excitement centered, instructions were given to find place cards at the tables which were arranged in the sun porch and dining room. The rooms were beautifully decorated with potted plants and jonquils.

The following dinner was served:

Creamed Chicken	Deviled Eggs
Rice	Pickles
English Peas	
Hot Rolls	Butter
Jam	
Banana Salad	Saltines
Cake	Peach Gelatine
	Salted Peanuts
	Coffee

The class adjourned to the lawn where the time was spent in playing games.

The Juniors indeed partook of the cup of joy and it is with a feeling not entirely pleasant that they think of the short time left them as Juniors, for soon they will assume the dignity of Seniors and a short while later the burdens of the wide, wide world will be theirs.
