

ALUMNI NEWS

1905

Clarence H. Whitlock, '05, is in charge of the office of Messrs. John H. Dunlap and Sons, operators of a large lumber plant in Little Rock, S. C. Mr. Whitlock spends his week-ends at his home in Maxton, N. C.

1909

N. Rush Hodgkin, '09, is president of the Guilford Hardware Company, of Greensboro, N. C. He is a member of the Lions Club and is Superintendent of the Sunday School of the Centenary M. E. Church. Mr. Hodgkin's address is 528 S. Elm St., Greensboro, N. C.

1911

Elvannah L. Hudson, '11, is pastor of the Roland Avenue M. E. Church in Baltimore. His address is 4004 Roland Ave., Baltimore, Md. Since leaving Guilford, Mr. Hudson has studied at the Boston University from which institution he received the degree of S. T. B. (Bachelor of Sacred Theology).

1916

Archie Riddick, '16, is now associated in the practice of surgery with Dr. C. S. White, at 911 16th N. W., Washington, D. C. After graduating from Guilford College, Archie Riddick studied at Johns Hopkins Medical School, Baltimore, receiving the degree of M. D., in 1921. He then served as interne for one year, and during 1922-1923 he was chief resident physician in surgery in the Emergency Hospital, Washington, D. C. The 1916-1917 Quaker has this to say of Dr. Riddick:

"Notwithstanding the fact that Archie is cubically the smallest man in the class he is mentally the biggest. He has faithfully performed his duties as a member of the Y. M. C. A. cabinet, as associate editor of the Guilfordian, as manager of the Football Club, as class debater, as business manager of the Quaker, and to his class. With his genial spirit and unusual degree of enthusiasm and sticktoitiveness, we expect to see "Runt" occupying a much coveted position in whatever field he chooses."

1921

Algie Newlin, '21, will be at Guilford next year as professor of History. He is at the present time teaching History and American Government in Pacific College, Newberg, Oregon.

While at Guilford, Mr. Newlin was active in all college activities, especially in all forms of athletics, and in the work of the Henry Clay Literary Society and the Guilfordian Board. He was a good student, receiving the scholarship offered each year by Haverford College. He received an M. A. degree from Haverford in 1922. During the summer of 1924 he studied at Columbia University, and is planning to study at the University of California during the coming summer. All Guilfordians will be glad to have "Jim" Newlin back at Guilford.

1922

Florence Cox, '22, is teacher of Home Economics in the Fremont High School, Fremont, N. C., and, according to reports, is doing excellent work in this capacity. She is also helping out in a Young Peoples' Missionary Society. Miss Cox studied in the Wistar Brown Graduate School of Haverford College, during 1922-1923, receiving an M. A. degree in June, 1923.

COME ON

Dear Alumnus:

Come on to Guilford June 2nd, for the Big Home Coming and Jubilee.

We are on the job. Already we have in mind what we are going to do to entertain you and we believe you will leave Guilford feeling that it is the finest place in North Carolina. *And it is.* So mark the 2nd day of June on your calendar as a holiday time. Come and help to make the Home Coming the greatest gathering in the history of the College.

Watch for the next Guilfordian. It will be a special Home Coming number with the program, entertainment features, and a partial list of those who will attend this great jubilee.

Special feature will be a reunion of each class. Will your class miss you?

A class parade will be held and the classes with the highest per cent present, and the classes with the highest per cent donations to the Endowment Campaign will lead the parade. Therefore, if you have not sent in your pledge to President Raymond Binford of Guilford College, N. C., now is the time.

It requires funds as well as talent to operate an Alumni Association. So if you have not already mailed your \$2.00 to R. L. Newlin, Secretary of Guilford College, do it now.

I once heard of a man so stingy that when a dollar had to be spent he would sing "God be with you 'til we meet again." He was not educated at Guilford College.

All together for a great and glorious time.

C. C. Smithdeal,

President of Guilford College Alumni Asso.,
P. O. Box 1695, Winston-Salem, N. C.

1923

Helen Robertson, '23, will, next year, teach Home Economics in the new Methodist Protestant College near High Point, N. C. She is now teaching Home Economics in the Bessemer City High School and is planning to study at Columbia University during the coming summer.

Mr. Peele Leads Y. M. C. A.

"The Sowing of Seed," was the subject which Mr. Peele, the leader at Y. M. C. A. Thursday evening chose for discussion.

The speaker started out by contrasting the smallness of the germ in a seed as compared to the plant which the germ produces. "Christ compares faith to a mustard seed which is the smallest of all seeds, therefore plant good seed in the heart of man and it will grow as the mustard seed."

The speaker pointed out very clearly that every person is sowing some kind of seed and that people must be careful lest they sow evil seed instead of the good. Christ planted his seed on earth, and it has grown until it has reached all corners of the earth.

The leader said, "Abstain from evil thoughts, evil stories and destructive imaginations, for such are the seeds of the Devil. Finally, if a man is going to plant himself or what he stands for in the world he must adopt the idea of sacrifice—Christ in sacrificing himself, planted himself for the world."

Edith McFrahnan and Allen Boren Win Contest

(Continued from page 1)

Mrs. Raymond Binford. Dr. Perisho presented the decision.

This contest was a part of the program that marked the windup of high school day. Other events on the program were the presentation of the silver medals and cups to the winners in the track events of the day, by Dr. E. C. Perisho, and a short address of welcome by President Binford.

Musical numbers were furnished by Miss Louise Frazier, accompanied by Miss Gracette Frazier and Mr. Pamplin; by the college glee club; and by the Virginia Robins.

When everyone is against you the chances are you're wrong.
