COLLEGE GLEE CLUB MAKES BIGGEST HIT OF YEAR SATURDAY

**Receives Generous Applause
In Its First Appearance At
Home Saturday Night**

FINE CHORUS WORK

**Gives Concerts In Randleman,
High Point and Burlington**

After an extended eastern tour, the Guilford College Glee Club gave its home performance here before a large and appreciative audience Saturday night, April 17.

The program was varied and contained selections both interesting and entertaining to all types and tastes of the hearers.

The first group consisted of sacred choruses and classical solos. A flute solo, Title's "Serenade," by Sam Keen; "Adornatus Te," by Palestriana, and "The Rosary," by Nevin, both given by the Glee Club, deserve especial mention.

In the second part of the program there was a change from classical music to the more popular selections by the orchestra. George Hendrickson was well received and sang an encore to his tenor solo, "Pal of My Cradle Days." Every one was fully convinced that men are becoming more like women after the hat stunt given by Messrs. Warrick, Brown and Rabb. The scene then changed from a hat shop to an old negro cabin where the boys were singing to Uncle Joe, an old negro man, played by Hardin Kimrey. Mr. Warrick returned with more fun, keeping the audience in one continual fit of laughter.

The "Deedie Dum Dum" dance arranged by Mr. Miller, the director, with its snaky steps and beautiful lighting effects, was also greatly enjoyed. Mr. Hodgkin, a visiting soloist, received much applause after his two solos in this group, "Pale Moon," and "From

CHOOSE DEBATE TEAM REPRESENT GUILFORD

**Will Debate Lenoir-Rhyne
This Month**

The Guilford College debating team, which was chosen some time ago, is now hard at work preparing for a dual debate with Lenoir-Rhyne College. The question to be discussed is "Resolved: that the army and navy air forces of the United States should be united in a separate and independent department with a secretary in the cabinet."

Charles Weir and Nereus English were to uphold the affirmative but due to the fact that Mr. English will be away from the college on a ball trip at the time the debate is to be held, Paul Swanson will take his place on the affirmative team.

The negative team will be composed of Sidney Winslow and Edwin Rozell.

All the debaters have had considerable experience at public speaking, and are expected to make a splendid showing against Lenoir-Rhyne, in spite of the fact that Lenoir won a debate with Pittsburgh University on the same query.

COLLEGE JOURNALISTS TO HOLD 3-DAY MEET BEGINNING APRIL 29

**North Carolina Collegiate
Press Association To Con-
vene At Guilford**

Plans for the Intercollegiate Press Convention, which meets at Guilford College, April 29, 30, and May 1, are now being completed. About fifteen colleges are to be represented, with close to sixty representatives in all.

This convention is expected to be one of the best that has ever been held. Josephus Daniels is expected to be one of the chief speakers. If he finds it impossible to attend, some other widely known newspaper man will be obtained. Besides the lectures of prominent newspaper men there will be discussion groups, where the editors, managing editors, and business managers can thrash out their problems together.

The entertainment committee is busy planning the social part of the convention. Final arrangements have not yet been definitely arranged, but the committee promises to furnish plenty of entertainment. One of the big events will be a banquet in the Jefferson Standard Cafe on Friday night.

DR. PERISHO MAKES TOUR EAST SCHOOLS

Dr. Perisho, who has been in the eastern part of the state since April 9, returned to Guilford Sunday night.

During this time he visited fourteen high schools and delivered over thirty addresses in Bertie, Hertford and Gates counties. The object of these addresses was primarily to interest young men and women of the high schools in higher education. Besides addressing high school students, Dr. Perisho addressed the County Teachers' Association of Bertie County, spoke in the Union Church at Windsor, gave a lecture to the Parent-Teacher Association at Ahoskie, and delivered the commencement address at Eure High School in Gates County.

Dr. Perisho said: "I have found a number of Guilford students teaching in these three counties.

Quakers Win From Atlantic Christian College and High Point Collegians in Fast Games

**High Point Loses To Fighting
Quakers After Holding
An Early Lead**

FERRELL STAR PLAYER

**Rain Threatens To Give Game
To High Point—Poor Field-
ing Mars Game**

Coming from behind a six run lead, the Guilford College baseball team defeated High Point College by a 10 to 7 score last Saturday at Hobbs' field.

The game got off to a rather slow start and the "Purple Panthers" piled up a six run lead in the first four innings of the game. In their half of the fourth the Quakers got next to Hedrick, the Pointer hurler, and touched him for two runs. They did not stop with this, however, but continued to pound Fuqua who relieved Hedrick in the sixth. Rabb started the game for Guilford but he was wild and could not locate the platter. He was relieved in the third inning by Coltrane after he had walked the first man and hit the next. After the third inning Coltrane settled down and held the visitors to two runs during the remainder of the game.

The visitors scored one run in the first inning when Currie scored from first on Foust's three base hit to right center. Foust, however, died on base when Hill fanned, making three out.

In the third Pierce was walked and Currie was hit by a pitched ball. At this point Coltrane went in to pitch for Guilford. Foust the first man to face him flew out to English at short. Hill singled scoring Currie and Currie went to third on the play. Fritz then hit for two bases scoring Currie and

SHOULD GUILFORD HAVE FOREIGN STUDENTS, IS QUESTION TO FORUM

On Wednesday night the Guilford college faculty and students held the first of a series of Open Forum meetings. The plan is to have these gatherings every two or three weeks in which the college people meet for an hour to discuss the present day problems. This will keep the people of the college informed of the affairs of the outside world and will be broadening in effect. Interest will be stimulated by trying to have vital subjects for discussion and by having the reading material set aside in the library where those interested may become informed.

The topic, "Foreign Students on the Guilford College Campus," was discussed at this first meeting. Some time ago the question of inviting Japanese students to come to Guilford arose and this topic grew out of that question.

Letters had been written to several of the colleges in this part of the country asking their opinion on foreign students in American colleges. Several of the colleges where there were Chinese and Japanese students reported most favorably on the situation. Several students reported on reading that they had made and those who had

**Shirt Smith Conquers A. C. C.
In Pitchers' Battle By
3 TO 1 Score**

STRIKES OUT SIXTEEN

**A. C. C. Gets Early Lead But
Guilford Bunches Hits
To Win**

Guilford defeated Atlantic Christian College in a fast and well played game here last Thursday, 3-1.

The boys from the eastern part of the state played a snappy bang-up game of ball, throwing a scare into the hearts of the Guilford supporters that lasted for more than six innings. Atlantic Christian College scored their only run in the first inning when Brinkley singled, stole second and third, and then came home while Smith was winding up. There was no more scoring until the seventh inning. Boykin for Atlantic Christian College was invincible and the Guilford players could not hit him. He had a good fast ball and a nice change of pace. In the meantime Shirt Smith was pitching a

GILDERSLEEVES TO APPEAR IN CONCERT

On Saturday night, April 24, Mr. and Mrs. Glenn Gildersleeve of Greensboro will appear in concert at Memorial Hall. During the past year Mrs. Gildersleeve has been instructor of theoretical music at the college. She is recognized throughout the United States by musicians as a fine pianist. She has studied piano with Edwin Hughes of New York, who for ten years was an assistant to the technician, Letchitzky. Mrs. Gildersleeve is also a very prominent soprano in Greensboro.

Mr. Gildersleeve, the public school music director of the Greensboro city schools, a student of Van York, is quite an accomplished baritone. During the three years which Mr. Gildersleeve has been in Greensboro, he has proved one of the most effective musicians in music work in the schools.

Their program will be varied. Mrs. Gildersleeve will play two groups and also sing. Mrs. Gildersleeve is going to sing several groups.

WALTER HAVILAND TALKS IN CHAPEL

Walter Haviland a former teacher at Guilford College, now principal of "Friends-Select School" in Philadelphia, spoke in chapel Friday morning on "Education and Kindness."

The speaker began by asking the student body if they were using their time in getting an education for things that are worthy. There are problems which must be solved and difficulties which must be overcome in the process of education.

The students that are going out in life from Guilford will meet all kinds of people and there is no better way to succeed than by being kind to everyone, says Mr. Haviland. We can at least be kind to those whom we do not love for it is difficult to love everyone. In return they will be kind to us.

In closing, Mr. Haviland quoted a prayer, "Let us be large in heart and love and mind, but above all let us be kind."

GUILFORD'S NETMEN WIN FIRST MATCH OF SEASON FROM ELON

**Netmen Will Meet Mercer
Here Next Wednesday**

The Guilford College Tennis Team made its first public appearance of this spring last Friday afternoon. The Quakers played a splendid brand of tennis and defeated their opponents, Elon College, five matches to one. Although neither the Guilford men nor their opponents were in mid-season form, they exhibited flashy strokes and a heady type of tennis.

The most spectacular match was played between Parker of Guilford and Johnson of Elon. Parker was finally overcome but pushed Johnson to his limit. This was the only match lost by the Quakers. The score stood 6-4, 3-6, 5-7. Trotter overcame Hunter (Elon) by a score of 6-4, 6-1. Hunter put up the best game for the visitors. Burke easily defeated Jones of Elon 6-4, 6-2. Burkes' south pair "Chops" always prove effective. Brown defeated Beattie in consecutive sets, 8-6, 6-0. Brown staged a sensational comeback. Beattie won the first five games played. Bello proved no match for Griffin and lost by a score 6-0, 6-2.

In the only doubles match played, Trotter and Burke, of Guilford, defeated Hunter and Jones, of Elon. The doubles match exhibited a rather poor style of tennis.

The final score for the match stood 110-20.

Guilford will meet Mercer university on the home courts next Wednesday, April 21.

BYRON HAWORTH WINS THE ORATORICAL PRIZE

**Charles Weir Given Second
Place Also Has Fine Speech**

Byron Haworth, speaking on "America First," won first place at the Annual Peace Oratorical Contest which was held Monday night, April 12, and will thus represent the college at a state Peace Oratorical Contest which will be held May 3, at Davidson. Charles Weir came second with an oration entitled, "Peace Through Education and Arbitration."

Other speakers for the evening together with the titles of their orations were as follows: Theodore Doub, "World Consciousness a Pre-requisite to World Peace;" Raymond Thomas, "The International Mind;" Edwin Rozelle, "The Sword, the Cross;" and Paul Swanson, "Permanent Peace and Christian Education."

SPEAKING IN PUBLIC IS AID CLEAR THINKING

Professor Samuel Haworth discussed in his chapel talk Thursday morning, "Public Speaking."

"I began this business," said Mr. Haworth, "About the age of nineteen." To the three fundamental elements in public speaking, given by a famous public speaker, action, action, action, Mr. Haworth added clear thinking and thorough thinking as two very important factors. He also emphasized the fact that the speaker needs control in the matter of the choice of his words since confusion often causes some very humiliating errors.
