

John P. Anderson Will Succeed Shepard as Coach

FROM ARKANSAS Has Coached at Forest City, Ark., Southern College, and Roanoke Rapids High

COLLEGE FOOTBALL STAR Is Proficient Along Lines of Football, Baseball, Basketball, in Both High School and College

John P. Anderson, who for the past two years has been coach at Roanoke Rapids High School, will be in charge of Guilford athletics next year, succeeding Norman W. Shepard, who goes to Randolph Macon at Asheland, Virginia.

Coach Anderson is a graduate of Hendrick's College in Arkansas, where he played football and baseball. He was all-state center of Arkansas for two years and starred in the outfield for the diamond squad.

Anderson's coaching career started at Forest City, Arkansas, in 1926, where he turned out crack high school teams. The following year he was freshman coach at Southern College, Lakeland, Fla., in football, varsity basketball, mentor, and varsity swimming coach; his basketball outfit captured the S. I. A. A. freshman championship.

For the past two years he has been very successful with his teams at Roanoke Rapids High School, winning 16 football games, losing three and tying one; his basketball teams have won 28 and lost 12 games in his two seasons; his baseball team won 20 and lost 10.

Blood is a very peculiar fluid,—Goethe.

Alumni Gift

The Executive Committee of the Alumni Association of Guilford College voted recently to make the coming meeting of the alumni and old students at the college a tribute to Mary Mendenhall Hobbs. A painting of Mrs. Hobbs will be presented to the college on alumni day by alumni of Guilford College.

MISS SHARPLESS VISITS THE GUILFORD CAMPUS

Former Westtown Student Works in Interest of World Peace—Is Sophomore at Holyoke

MRS. HAWORTH HOSTESS AT TEA

Miss Aimie Sharpless, who is traveling in the interest of the international education work in the colleges, and who is also connected with Young Friends Service, recently visited Guilford and gave several talks before the different religious organizations.

Miss Sharpless is an old Westtown scholar and was in school with several of the Guilford students. While she was here Mrs. Samuel Haworth gave a tea for old Westtown students.

Last summer Miss Sharpless visited the World Youth's Peace conference in Holland, at which there were then 500 young people from all over the world meeting in behalf of peace. After such an opportunity Miss Sharpless decided that she should do something of practical value and so this year is taken between her sophomore and junior years at Mount Holyoke so that she may visit various colleges throughout the country for the promotion of interest in peace. She has already visited 40 colleges throughout the United States and this month will wind up her activities.

Ray Parrish, captain of the baseball team this year, finished the season with an average of .470; over half these hits were for extra bases. In addition to being a threat at bat, Captain Parrish was also a star in the outfield.

DR. HOBBS OBSERVES EIGHTIETH BIRTHDAY

May 17.—The chapel period this morning was devoted to the celebration of the 80th birthday of Dr. L. L. Hobbs, president emeritus of the college and a well-known and beloved figure in the North Carolina educational world. Since 1876 he has been connected with New Garden Boarding School and Guilford College, serving as president of the college for twenty-seven years of that time.

Dr. and Mrs. Hobbs as they sat on the platform made a fine example for the Guilford students. Dr. Hobbs is a man of marked intellectual attainments but he has never allowed this to separate him from people of every walk of life. The people of his community,

if called upon to testify today, would speak of him as friend and neighbor as well as teacher.

At that period in life when men are usually bowed and broken both in body and in mind, this teacher still retains his youthful vigor, grasping problems with a quickness which men far younger would do well to copy and bears witness with his quick step and erect body to moderation of living that he has always practiced.

In his talk to the students Dr. Hobbs said that he was sure that much of the credit for his splendid health was due to his baseball playing; he has an unusual interest in this sport and still likes to tell of old experiences on the diamond.

SENIOR PRESENTATION GIVEN ON ALUMNI DAY

Dramatic Talent Is Displayed Both by Amateurs and Professionals—Reece and Moore Appear

June 1.—Saturday afternoon at 4 o'clock the class of '29 presented the senior play, "The Land of Heart's Desire," by Yeats. The play proved to be one of the most entertaining of the year's dramatic productions.

The plot deals with Irish folk-lore. Mary and Shawn Bruin are two newlyweds. In the evening Mary finds a book of fairy tales which she reads until they become very realistic to her. One story is that if a newly married bride gives away milk and honey on May Eve the fairies will come and take her away. Soon after Mary has laid down the book the Fairy Child comes and asks for milk and then honey. Mary gives them to her and even takes down the crucifix as the Fairy Child asks that she may have full power there. Thereupon the Fairy Child performs a dance and asks Mary to go with her. The play ends with the death of Mary.

The cast was as follows: Mairteen Bruin—Robert Atkinson. Shawn Bruin—Reginald Marshall. Father Hart—Stanley Moore. Mary Bruin—Esther Reece. Bridget Bruin—Alice Hazard. A Fairy Child—Jo Paul.

GUILFORD TO ADOPT NEW HONOR SYSTEM IN FALL

(Continued from Page One)

"If agreeable to the administration, preference will be held on the honor roll in the case of college loans."

The committee was composed of Miss Eva G. Campbell, Prof. Duane McCracken, Prof. Samuel Haworth, and Prof. Emil Garness Purdom.

SCHOLARSHIP AWARDED TO GUILFORD STUDENTS

Davis, Jassimides, and Van der Voort Are Rewarded for Their Outstanding Accomplishments

Three members of the graduating class were fortunate enough to have scholarships awarded them and they will continue their studies next year as a result of these awards. Paul Jassimides, a ministerial student, has been awarded a fellowship at Biblical Seminary in New York. This fellowship runs for three years and is equivalent to about \$600 a year.

The Haverford scholarship was won by Robert Van der Voort, of Pittsburgh, Pa. Mr. Van der Voort plans to take some work in philosophy and chemistry at Haverford.

Walter Davis, of Yadkinville, has won a teaching fellowship in physics at the University of Florida. Mr. Davis will spend part time as instructor and the rest of his time will be devoted to study and research in advanced work in physics.

Former Guilford College boys now in professional ball are having a very good season this year. Rick Ferrell is with St. Louis National League team and will probably see much active service before the year is over. Shirt Smith, the other member of this famous Guilford battery, is in the Texas league. Moore Rabb has got off to a good start with Toledo in the International league. Paul Coltrane, who is in the Eastern Carolina league, has won five games and lost only one up to date.

The sacred privilege of lying has been one of the inalienable rights of man since the days of free education. —Arnold Zweig.

SOCIAL FUNCTIONS GIVEN FOR SENIORS

Binfords Give Dinner and Reception—Miss Ricks Also Entertains

ARE INVITED TO PERISHOS

May 25.—Dr. and Mrs. Raymond Binford gave their annual reception for the Guilford seniors at their home this afternoon from 4 till 6. The reception was an informal affair and there were about 150 guests, including the faculty and seniors. There were a great many visitors from several nearby towns.

The reception was held on the lawn in front of the president's home and the visitors mingled with the members of the senior class, becoming acquainted with them. Orange ice and cake were served.

Following the reception, the seniors were guests at a dinner given for them by the president and Mrs. Binford. The dinner, too, was an informal affair and most of the group sat on the lawn during this part of the entertainment.

On Wednesday evening, May 23, Miss Ricks entertained at dinner at the O. Henry Hotel in honor of her niece, Miss Nancy White, of Franklin, Virginia, who graduates with this year's class.

Appropriate decorations suggestive of the May-time were carefully carried out. Covers were laid for the following: Misses Josephine Paul, Mary Lou Wilkins, Esther Reece, Nancy White, Catherine Ricks, Virginia Ragsdale, Frances Osborne, Ruth Bundy; Messrs. James Bunn, Reginald Marshall, Cranford Hoyle, Loyless Melvin, John Lippincott, Scott Parker, and James M. Harper.

Dr. and Mrs. Perisho have been giving a series of breakfasts, luncheons, and dinners at their little cottage in honor of the members of the graduating class and the faculty. These guests have been invited down in groups of ten and twelve; this was due partly to the difficulty of giving a large party and partly for the purpose of lending a more personal atmosphere to these occasions.

Members of these groups have amused themselves in various ways, a favorite one being the writing of a prophecy which is sealed and left in care of Mrs. Perisho. The prophecy is to contain things which the person wished to happen in a given length of time; when this is past he is to return to the Perisho's home and see just how far he has fulfilled his purpose.

Dutch lovers are always equally ardent because they are always equally indifferent.—Goldsmith.
