

GUILFORD COLLEGE WELCOMES ALUMNI TO CAMPUS TODAY

Hockey Game and Meeting of Central Centennial Committee to Feature at 11 o'Clock.

GAMMA SIGMA TO MEET

Representatives of Classes and Local Alumni Clubs Will Meet in Founders' Hall After Lunch.

Guilford College Alumni return to the campus today to participate in the first of a series of programs celebrating Guilford's one hundred years of continued existence.

Alumni activities begin at 11 a. m. with the annual alumni-student hockey game in which over 40 old students have been invited to participate.

The Central Centennial committee will meet at the same time in the Centennial office for the purpose of reviewing progress made in the past, and to formulate definite projects for this year.

Under the temporary chairmanship of Dr. Russell Pope, Guilford Honorary Scholarship society, Gamma Sigma, will have a luncheon meeting at 12 m. at the home of Dr. and Mrs. Milner. Besides the social nature of the meeting this group will plan for the formal installation of their society on Charter day, January 13.

A meeting of all representatives of classes and local alumni clubs will follow the alumni luncheon in Founders' hall at 1:30 p. m. Alumni President Bill Blair is to preside over this meeting, at which time the proposed projects of the Central committee will be discussed. Dr. Milner will outline the progress of various organizations toward goals for the centennial year.

Different classes will hold reunions from time to time during the remainder of the day, and a meeting of all old Monogram club members is scheduled. The choir-guild and officers of classes from 1900 to the present are slated to meet at 5 p. m. in order to review group projects and make plans for their realization.

The annual Homecoming banquet will be held at Founders' at 6 p. m. with President Blair acting as toastmaster for the occasion. A social hour following the banquet is planned for Founders' hall.

At 8 o'clock in Memorial hall the Dramatic Council will present "Icebound," a rural drama directed by Prof. Philip W. Furnas.

Hot chocolate, doughnuts, apples, peanuts and grapes followed the Virginia Reel and then Swing Time began in earnest—or as nearly in earnest as could be expected when the victrola insisted on having its little Halloween prank, and cut off each time the dance started. It was also noted that the peanuts and grapes were much more enjoyable when first served than they were after having become a rather slippery carpet on which to dance.

MISS KATHERINE RICKS MAKES NORTHERN TRIP

Librarian Visits Library of Congress, Libraries of Richmond, Bryn Mawr, Haverford, and Others.

LIBRARIES DONATE PERIODICALS

Miss Katherine C. Ricks, the Guilford librarian, recently took a trip north in the interest of the library. The object of the trip was to find methods used in other libraries of classifying and cataloguing Quaker books and to secure by exchange periodicals needed to complete the files.

Some of the libraries visited were the Library of Congress, Public Library of Richmond, Va., and among the college libraries, Bryn Mawr, Haverford, Swarthmore, and Johns Hopkins.

Haverford College library gave our library about 100 Quaker books from duplicate collection.

Prof. William E. Hull gave the library the following books of which he is the author. "William Penn and the Dutch Quaker Migration to Pennsylvania," "Eight First Biographies of William Penn," "William Sewel of Amsterdam."

The Public Library of Richmond, Va., allowed us to take 234 valuable periodicals for our collection on the exchange basis.

On the return trip Miss Ricks spent one day at the Baltimore-Yearly Meeting.

Of interest to Guilfordians is the announcement of the engagement of Cleo Stack, '35, to Leonard Macon, '36. The wedding will take place on Saturday, November 7, at 4 o'clock in Winston-Salem.

HARRIERS WIN FROM CAROLINA RESERVES

Meibohm Again Leads Guil-Harriers to 27 to 30 Victory.

FAST TIME TURNED IN

The Quaker cross-country squad stretched its win column another notch last Saturday when the local harriers trimmed the Carolina reserves by a 27 to 30 score.

Meibohm, who has been the star performer in all previous meets, led the pack to the finish in the fast time of 16 minutes and 28 seconds over the Carolina course. The other Guilford men to rack up points scored in the following order: Alexander, Bowers, Davis and Capt. Paul Hockett.

In defeating the Carolinians the Quakers chalked up their second victory of the season, with one win over Randolph-Macon and a single loss to the hill-and-dalers from Davidson.

This morning the runners will face the State college varsity on the Guilford course in a meet which was postponed from earlier in the season. The Quakers, who apparently are just about as strong as last year are expected to win over the Wolfpack; last season they won one and dropped one to State, both meets being won by very close margins. Meibohm, Davis and Alexander will be the men to watch for the Quakers, as well as Bowers, who is running on the team and acting as coach in the absence of Coach Shepherd. The meet starts at 10 o'clock and the entrants will start and finish in front of the Music building.

Members of the student body were entertained on last Saturday night at a Halloween party held in the gymnasium. Black and orange streamers, cornstalks, and jack-o-lanterns played upon by spotlights, created and appropriate atmosphere. Prizes for the best costume went to Lucy Gaunt and Donald Wood. The Junior class received a prize for the most original skit. After several rounds of the Virginia Reel, refreshments, consisting of doughnuts, cocoa, apples, grapes, and nuts, were served. Favors were then distributed and dancing was enjoyed the rest of the evening.

Faculty members present were Dr. and Mrs. A. D. Beittel, Dr. Eva Campbell, Mrs. Russell Pope, and David Parsons.

Dr. and Mrs. Clyde A. Milner were guests of the Senior home economics majors at an informal breakfast on Sunday morning. Dorothy Woodward was hostess. Others enjoying the affair were Mrs. Franklin Davis, Miss Dovie Chenault, Clara Robertson, Ruth Newlin, Mabel Buckner, and Millie Glisson.

Gilbert, Dr. Eva Campbell, Miss Maud Galney, Miss Eva Lasley, and Miss K. C. Ricks were entertained at dinner, Sunday night supper, or breakfast. We wonder if they would have accepted their invitations so readily if they had known that two of their hostesses were "paranoiacs."

HELP WANTED FEMALE

College girls for a decade have been pleading for silk hose that will withstand tempestuous Campus scurrying and still not make ankles look like those of their pet football hero. The answer is "FAN TAN". Buy them a half dozen at a time. Wear them for slopping around, going down-town, running about, off-campus, football Saturdays, a Sunday dinner or even for memorable weekend jaunts. They'll always look right, feel right and with a little care in washing will not run easily.

Take down the "help wanted" sign for good stockings in your mind and hang up the "FAN TAN" sign. They are certain to fulfill any of your demands with perfect satisfaction. FAN TAN is a real Campus pet. Exclusive at MANGEL'S.
