Eight-Piece Band Uses Purely Local Talent; Fills Long-Felt Want on Campus.

TO PLAY FOR BAZAAR

Slight Admission Fee Will Be Charged at Y. W. C. A. Christmas Function to Cover Cost of Music.

An eight-piece dance orchestra on a purely local talent basis has been organized on the Guilford College campus. The band is expected to fill a cong-felt want that has been irking the student body ever since two years ago when "Ducky" Frederick's organization went on the rocks through lack of oney to purchase music

The nucleus of the harmony group was the "Guilfordians" — three mu-sically talented students that started a small "swing band" just at the close of last year as an item for the Guil-fordian ama(eur program. Earlier this year the trio, with Annie Lee Fitzgerald vocalizing, made several broadcasts over Greensboro's station WBIG Now, together with other interested students, they have turned their attention to the organization of a larger band on campus.

Their initial appearance is set for the Y. W. C. A. bazaar on the evening of December 19. According to present

Owing to difficulties of compilation, it is possible that some of the following figures are not exactly ac-curate. However, The Guilfordian is satisfied that they are nearly enough correct to serve as true indications of the present stresses acting on

campus social life.

#### MEN'S STUDENT COUNCIL ASKS FOR CO-OPERATION

The Men's Student Council is asking all firecracker enthusiasts to reing all freeracker enthusiasts to re-frain from using freworks until they return home at Christmas. They do not wish to have a month of fireworks on campus before Christmas for the following sensible reason: Fireworks are dangerous in the college buildings, and spoil people's rest at night.

These students are asked to cooperate in this matter as much as possible by considering others who have a right to rest and quiet.

### VARIETY NEEDED

Revival of Battleground Hike and Similar Functions Advocated.

DATING SPACE CROWDED

Recent Y. M. C. A. Stag and Open House Entertainment Needed.

(Special to The Guilfordian)

Social education was stressed as a great campus need in a poll of student leaders recently conducted by The Guil-fordian. All of those who were interviewed were asked the same question: "What, in your opinion, is Guilford's most vital social need?" In reply, a prominent woman student, whose identity we are not at liberty to divulge, stated: "The campus's great need is more socially educated students. For that reason, social functions of a type that will tend to educate the students we have in the art of "savoir faire" are highly desirable." In the same vein was the reply made by Greig Ritchie, program chairman of the Y. M. C. A., who said: "What this campus needs is less rules; but we will not have less rules until we have a more socially-minded and mature student body."

#### Other Hit Space, Program

Other replies received cited inade quate dating space and the general nar-rowness of the college social program as undesirable factors in the existing situation. In connection with these charges, an attempt was made by The Guilfordian to compile some statistics on the social status quo; these figures appear in an adjoining column of this dition.

Among the other statements obtained ere opinions from the following:

Charles Blair, president of the Men's Student Government: "Guilford Col-lege's social equipment needs general expansion very badly."
