GUILFORD COLLEGE, N. C., FRIDAY, MARCH 11, 1955

NO. 15

## Speeches Kick-Off Spring Elections; Voting Tuesday

The campaign speeches in Chapel this morning mark the beginning of the fight for campus offices for the 1955-56 school year. The speeches will be followed by a campaign lasting until next Tuesday, March 15, when actual voting will take place.

All organizations which are members of the Student Affairs Board participate in the general Spring Elections, but only the candidates for the presidency of the Men's Student Government, the Women's Student Government, and the candidates for the editorship of the publications, will give speeches in Chapel today.

Candidates stating their platforms this morning will be: Charlie Strider and Gary Bowen for MSG; Margaret Ann White and Nancy Dettor for WSG; Howard Haworth for Editor of the *Guilfordian*; and Jim Shelton and Larry Bumgardner for Editor of the *Quaker*.

The polls, located in the Biology Lab, will be open from 8:00 a. m. until 4:00 p. m. All students are eligible, and are urged, to vote sometime during the day.

All organization heads, with the exception of the class officers, will take office immediately following Spring Vacation. This gives the new officers an opportunity to consult with their predecessors while learning the responsibilities of their new position. It also relieves the Seniors of extra-curricular responsibility during the last quarter of their Senior year, allowing them to catch up on theses, and other academic requirements.

### Barter Theatre To Present "Macbeth"

The Barter Theater, the state theater of Virginia, will be here on the Guilford College campus tonight at 8:00 p.m. in Memorial Hall.

The theatrical group, which was the first state theater in the United States, was first organized during the Depression by Robert Porterfield in Abingdon, Virginia. Since then, it has made appearance in 43 states and abroad.

Appearing at Guilford for the eighth time, the Barter Theater will do *Macbeth*. This 1955 *Macbeth* moves with vivid precision through its saga of violence, treachery, and revenge. It is a production fully endowed with rich acting against striking and colorful backgrounds. The story of the murderous Macbeth, his sinister wife, and their fearful misdeeds is retold with flashing eloquence by Severn Darden and Jenny Davis and a cast of capable supporting players.

Mr. Darden's potent version of the title role is that of a vigorous young general with evil and merciless ambition.

Jenny Davis, a striking, intense blond from Memphis, is equally fine in depicting the insidious Lady Macbeth.

Under the supervision of the talented director, Owen Phillips, it is soon forgotten by the audience that *Macbeth* ever was a class assignment.

The price of admission at the door is \$1.20 and \$ .90, but there is a presale of \$ .50 ticket at the business office.

### Dr. Ljung To Attend ACS Meet

Dr. Harvey A. Ljung will attend a meeting of the American Chemical Society in Cincinnati, Ohio, from March 28 through April 3.

Working with an appointed committee of the Division of Chemical Education, Dr. Ljung will assist in the preparation of an examination in general chemistry for the Cooperative Testing Program. This examination is given annually on a nation-wide basis.

### Chalkley Wins Assistantship

Ray Chalkley, President of the Senior Class, has just received word that he has been granted a graduate assistantship to the University of Maryland at College Park, Maryland.

It was awarded for the 1955-56 school year, and is in the College of Physical Education, Recreation and Health. The assistantship is in the form of a stipend and exemption from all standing graduate fees. In return, Ray will teach fifteen hours on the undergraduate level, and may carry up to ten hours for graduate credit.

### Thirty-Four Students Make Honor Roll

The Honor Roll for the second semester 1954-55, just released by the Registrar's Office, shows a total of thirty-four students with at least a 2.50 average. There were nine Seniors, eleven Juniors, five Sophomores, and nine Freshmen.

Twelve students made all "A's" for the first semester of this year, ten had all "A's" but one, forty-four had all "A's" and "B's", and eleven made all "B's." This gives a total of seventy-seven students with "B's" or better. This is approximately 14% of the student body.
