Homecoming Celebration To Be Held Tomorrow

Pictured above are the candidates for Homecoming Queen. At the time this paper went to press the results were unknown. Reading front row left to right are, Linda Jones, Betsy Wolff, Rachel Richardson, Claudette Belton. Second row left to right are Mary Cashwell, Wenda Hodgkin, Betty Adams, Lila Tice, Mary Lou Okey and Mary Ella Clark.

Football Game, Dance To Feature Activities

Homecoming will get under way at 2:30 o'clock when Guilford's gridiron squad meets Hampton-Sydney on Hobbs Field. At half-time the queen's float will be presented and Miss Thelma Buckner, the 1954-55 Homecoming Queen, will crown the 1955 Queen.

Following the game, a large barbecue supper will be held in Founder's new cafeteria for all students, returning alumni, and visitors. Tickets for the supper are \$1.00 per person.

At 8:30 tomorrow night the last phase of homecoming will begin as Harold Gayle's Band plays for the annual homecoming dance in the gym. This dance is semi-formal and free of charge.

Under the direction of the Women's Athletic Association and Miss Rachel Richardson, dance chairman, the gym will be decorated in correspondence with the theme "Welcome Back, Alumni." Miss Margaret Ann White has charge of the dance figure in which the queen's court will participate just before intermission.

This year instead of decorating floats for homecoming, the dormitories have directed all artistic efforts toward dormitory decorations. A trophy will be awarded to the best-decorated dormitory.

It is hoped that all students will co-operate and support these plans in anticipation of the largest and finest homecoming Guilford College has ever witnessed.

New Members Added To Guilford's Faculty

With the increase in Guilford's total enrollment, additions to the faculty have been necessary. We feel fortunate in securing the following:

Mr. Jackson Burgess who is an assistant professor of English and Director of News Services and College Publications. Mr. Burgess received his AB degree from Chicago University and a Master of Fine Arts from the University of North Carolina. He was previously employed by the Greensboro News and Record.

Miss Pauline Grande, who is part time instructor in women's physical education. She is a graduate student at Woman's College.

Mrs. Marvin Hunt who teaches classes in beginning Spanish in the Evening Division and on the campus. She received her AB from Puerto Rico and her AM from Columbia University.

Mrs. Robert H. Morris who is director of our Student Union which we hope will be complete in the near future. She also is directing Freshman Chapel and is assisting in the department of Psychology.

Miss Ruth Simpson who is college nurse. She has been enrolled in the Evening Division and is currently a campus student, working to complete her degree.

Enrollment Sets Record

With the hard work of Charlie Hendricks, public relation head, Guilford College is able to report the largest enrollment that it has ever had. The only other year that even compared favorably with this year's record was the 1948-49 total of 608. This number is quite a bit below the record 654 from this year. Out of that 654 total there are approximately 200 freshmen.

New Cheerleaders Selected

Last week three new cheerleaders and two alternates were chosen to Guilford College's pep squad. Selected from nineteen hopeful girls were: Anne Hulin, of High Point; Gertrude Murrow, from Pleasant Garden; and Claudette Belton, of Winston-Salem. Emily Howell, from Goldsboro, and "Happy" Hurst, of Roanoke Rapids, are alternates.

Betsy Marklin, from Chester, Pa., is head of the 1955-56 cheering squad. Also back from last year are Carolyn Newlin, of Burlington; Lila Ann Tice, from Greensboro; Ann Rae Thomas, from Walnut Cove; and Bob Iskowitz, the only boy on the squad, who hails from Brooklyn, N. Y.

This year a pep band has been organized to assist the cheerleaders at pep rallies and games. The band seems to give school spirit a much-needed boost.
