Foreign Students At Guilford Represent Fifteen **Countries; Four Others Represented By Faculty**

proaches, it might be interesting to look at the United Nations right here on the Guilford College campus. There are nineteen foreign-born students representing fifteen different countries here. Six of these students are already citizens of the United States; nine of the foreign students are new to the Guilford student body.

Miss Britta Tengve arrived in the U.S. on the first of September from Lindesburg, Sweden. She is sponsored by three Rotary Clubs —from Asheboro, Siler City, and Randleman. Britta says America is much like her native land, but there are no colleges or boarding schools in Sweden—only universi-

Shogo Aoyama, of Nakakyoky, Japan, is studying sociology after receiving his Bachelor of Arts dcgree from Kyoto University, Kyoto, Japan and his Bachelor of Law degree from Ritsumeikan University Law School.

Miss Maaret Koivula was born in Finland but is an American citizen; she has been in the U. S. since 1950. Maaret is beginning her freshman year at Guilford and plans to major in psychology.

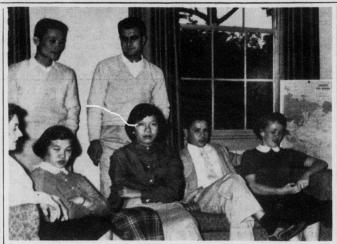

Miss Heea Halder of India has been in the U. S. three months; her father is with the Indian Embassy in Washington. Heea completed requirements for an American high school certificate and a Cambridge certificate from England before she left India. She is

David N. Ning, from Hongkong, China, is presently working in the field of physical sciences at Guilford. Hans Greenveld and Eugene Everett Udvarnoki are originally from the Netherlands and Hungary, respectively, but are now U. S. citizens.

Miss Julia Khalaf, from Ramallab, Jordon, is a transfer from Warren Wilson. Before coming to the U. S. two years ago, she at-tended a Quaker Missionary School. Julia, a junior, is a math major.

Atiyya, of Bagdad, Iraq, is at Guilford for his second year and is working as a major in political science, while Hani Bahkit, from Amman, Jordon, attends Guilford also for his second year and majors in physics. Faruq transferred from the University of Miami and Hani, from Purdue. Byong Yoon Park, of Seoul, Korea, is back at Guilford to continue with his studies in political science. Byong Yoon came to Guilford a year ago.

U. N. Week To Be Observed

United Nations Week will be celebrated October 24th through the 29th. The United is made up of 60 members all of which are independent nations.

The main purpose af the United Nations is to maintain international peace and security and to take effective measures to pre-vent and remove threats to world peace. Therefore, the job of the United Nations has been to build an organization that will be effective in keeping the peace without any power to compel obedience of its recommendations.

There is much to be done to make the UN a better organization. The job is to build it up, not to destroy it, and to make it work for the benefit of all free men.

The freshmen chapel on Wednesday, October 2£, will be in connection with United Nations Day. Mrs. Raymond Smith of the Oreensboro League of Women Voters will be the speaker. The upperclass chapel on October 27th will see a film entitled "With the Quakers in Korea." This film will be sponsored by the IRC.

Campus Chest Drive Now In Progress

The 1955 fund raising campaign for the Campus Chest is expected to get off to a good start at the upperclassman chapel Thursday, Oct. 20. A goal of \$925 has been set for faculty and student donations as compared to a goal of \$850 last year. This goal of \$925 should be met, with a faculty budget of \$450 and a student budget of \$475.

Day students will be approached concerning a pledge through the chapel, while soliciting from campus students will be done in the dormitories. Each dorm will be assigned a quota, determined by the number of residents and past performances. The campaign is sponsored by the Studen't Affairs Board, with the WSG and MSG supervising solicitation.

The Guilford College allotment for the Greensboro Community Chest was raised from last year's \$500 to \$550 for 1955. The increasin goal is due to a larger student body and an increase in the goal the Greensboro Community Chest. The \$375 difference in ou e mpus goal and the allo men' given us will be distributed among The American Friends Service Committee, American Heart Association, American Leprosy Foundation. All of our professors, doubtless have very significant and interesting careers behind them, but the Guilfordian wishes to honor at this time those who were not originally native Americans.

Dr. Walter Arndt was born in Turkey. He received a degree from Oxford University in Political Science and Economics. He also received a B. S. in mechanical engineering from Roberts College, Istanbul, Turkey. He and his fam-ily came to American in 1949, and he taught at Friendsville Academy until the summer of 1950 when he came to Guilford. He recently completed all of his requirements for his Ph.D. in Com parative Linguistics from the University of North Carolina.

Mrs. Hunt is originally from Puerto Rico and is back in the United States for her fifth time. She came to the U.S. to study at the University of Pennsylvania. In the fall of 1947 she worked in England and was married in February of 1948. She taught at Women's College seven years before coming to Guilford.

Dr. George G. Thielman lett

Russia in 1924 to come to Quebec, Canada. He studied at Bluffton College in Ohio from 1925-28 where he received an A. B. Study for completion of his M. A. was at Ohio State from 1928-30. In 1930, he went to study at the University of Saskatchewan. The interim between 1931 and 1947 was spent in teaching except '37-'58 when he returned to the university
