Any student expecting to graduate in the spring of 1960 may learn more of the details of this Fellowship by consulting the departmental chairman in his major field, or the local representative of the Foundation, Mrs. Ernestine C. Miller, of the Department of Psychology.

## Campus Chest Drive Begins Here

The annual Campus Chest Fund Drive began on October 15th and 16th at Guilford College. Contributions to the Campus Chest Benefit thirty-eight organizations all over the world. This year a large portion

will be allocated to the Greensboro United Fund which, in turn, contributes to twenty-eight different organizations and local charities for the purpose of providing a better immediate community in which to live.

Other agencies will also benefit from the Chest money. Foreign relief is concerned with the American Friends Service Committee and CARE. Last year 1,160 pounds of food were sent abroad by the Chest; this year the amount should reach over 4,000 pounds. Aid will be given to educate abroad which includes the International Christian University of Japan, the Near East College Association, and the World University Service. Funds will also be donated for medical research and combatment of diseases such as cancer, heart disease, leprosy, polio, and tuberculosis.

The goal for the 1959-60 Campus Chest is set for \$1,450, the amount to be divided between the faculty and the students. The faculty portion is \$800; day students \$200; campus men students \$250; and campus women students \$200. It is hoped that every one of these groups can meet its quota this year.

Pledge sheets can be obtained from dormitory captains. Members

of the Campus Chest Fund Committee are Sue Drake, Janice Cornell, Carolyn Nimitz, Ed Bannigan, Groome Fulton, and Tom O'Brian. Dr. Victorious, professor of economics, heads the committee again this year.
