

Cheerleaders (l. to r.) are Kay Smith, Judy Stencil, Judy Wells, Judy Allen (chief), Lynne Hundley, Betsy Winesett, Jane Truelove, and Brenda Ferguson. The "Guilfordian" extends appreciation to this lively group which has fostered school spirit so splendidly this year.

"Get away, you can't have it!" says anonymous Lenoir Rhyne player to Guilford cager Roy Williams.

Another basket goes up for Guilford as senior guard Jon Burwell shoots his jump shot. Jon recently scored his 1,000th point in college basketball.

Athlete of Week

Mike Allred Outstanding Cager On The Courts

For his outstanding play in the games against Campbell and Atlantic Christian, Mike Allred has been chosen as Athlete of the Week for this issue of *The Guilfordian*. Mike, after playing guard much of the year, was switched to forward by Coach Parrish and has

shown much improvement since. In the Campbell game he scored 28 points and led the team in a losing effort. Mike also raked down important rebounds for the Quakers. Against Atlantic Christian he scored 18 points and again played a good defensive game on the boards.

Mike had a terrific shooting average in the game against Campbell, making well over 50% of his shots from the floor. He often hit from the side with his high-arched jump shot. Mike is only a sophomore and will be around to lead the Quakers on the court for many more games.

The Women's Student Government met on February 8, 1962, with almost an hour and a half of disciplinary cases. Items discussed in the business session include plans for a possible fashion show, ideas for a fund-raising project, and a report by Robin Holland, senior representative from Hobbs, concerning the new structure for a combined student government.

Quaker Track Team First Meet March 20

On February 6, Guilford's '62 track team began practice for its spring meets. After two months of rigorous training, the boys will enter their first meet of the season on March 20, at High Point.

The schedule follows:

March 20—High Point	Away
March 23—Lenoir Rhyne	Home
April 10—Atlantic Christian	Home
April 13—Elon	Home
April 17—High Point	Home
April 24—Frederick and Hampden Sydney	Away
April 26—Catawba	Home
May 2—NAIA	High Point
May 8—Catawba-Elon	Away
May 12—Conference Meet	

The football coach of a local high school called our newspaper office to give me an exclusive story concerning a big-league college that was offering his quarterback an unusual athletic scholarship. The star player would receive the usual tuition, room and board. In addition, he would be given \$111 a month spending money and a month's vacation with pay. Also, included in the deal were off-season plane trips about the country. Upon graduation he would be sent to Europe with the promise of a lifetime job.

Astounded at the proposal, I asked the coach to identify the school so that we might promptly expose it to the NCAA officials who govern football recruiting. "Well," he answered, unable to hold back muffled laughter, "it was the Air Force Academy."

W. A. A. Spring Schedule

Variety Of Activities Planned

MAY DAY

The W. A. A. has a wide variety of activities planned for this spring. The major event is the annual May Day program of original dances, elaborate costuming, beautiful scenery and the presentation of the May Day court, composed of the ten elected senior girls and their escorts. This year's program to be held on May 5 is under the direction of Merle Mallard, who is also a member of the May Day court.

The theme will remain unannounced until the day of the program, except to those directly participating in the afternoon activities. Previous themes include "The History of North Carolina" in 1959, "Holidays of the Year" in 1960, and "Cinderella" in 1961. Last year's presentation was the first of the May Day programs to be in the form of a play production with the usual music and choreography.

The entire May Day activities—the boys' May Day at six o'clock in the morning, the main program at two o'clock in the afternoon, and the formal May Day dance at eight o'clock in the evening—are given in honor of the graduating senior class.

INTRAMURALS

Intramurals are the second important aspect of the W. A. A. spring program. In the past volleyball has been the major women's intramural sport, but this year tennis, ping pong, and badminton intramurals will be added to the program. Until the spring of 1961, the teams had been set up accord-

ing to dorms, with Founders, Mary Hobbs, and Shore each having a separate team. However, last year a new formation of teams was devised with each team being composed of several girls from each dorm.

BIKE-RIDING

Bike-riding, a popular pastime and exercise of Guilford girls, is another project sponsored by the W. A. A. Two bikes are available at present, and more are to be purchased when suitable bike-riding weather arrives. The bicycles will be rented at a cost of 10¢ for the first hour and 5¢ for each additional hour.

Jane Coltrane, president of the W. A. A., has other tentative plans for the spring program which include a play day similar to the tennis play day held at U. N. C. last spring, and a spring picnic instead of the usual fall picnic. Announcements and posters, regarding each of these activities will be appearing soon.
