

"The Politics of Joy"

"Elect the Hump, and Dump the Junk!" beams Keith Park's original sign conceived especially for last week's Democratic Rally in Charlotte. He is flanked (left to right) by fellow Guilford students, Virginia Wilson, David Smith, (Parks), Terry Gentry, Merikay Noah, Emily Hedrick, and Vance Williams (partially hidden).

"HEIL HUMP"!—North Carolina's Junior Senator B. Everette Jordan looks on as Hubert Humphrey triumphantly joins hands with former N. C. Governors Luther H. Hodges and Terry Sanford (right).
