

Work in Europe Program

Hundreds of U.S. students will find jobs in France, Ireland and Great Britain this summer through the *Work in Europe* program sponsored by the Council on International Educational Exchange (CIEE). For the past eight years, this popular program has provided students with the direct experience of living and working in another country and, at the same time, helped them reduce the cost of their trip abroad. The *Work in Europe* program virtually eliminates the red tape that students faced in the past when they wanted to work abroad.

Participants must find their own jobs but will have the help of cooperating student travel organizations in each country. In France and Ireland they may work during the summer; in Great Britain they may work at any time of the year for up to six months.

The jobs are usually

unskilled — in factories, department stores, hotels, etc. Salaries are low, but students generally earn enough to pay for their room and board while they work. A typical job would be that of chambermaid in a hotel in London's West End. But last summer one enterprising student found work in Paris as a wine steward in a restaurant on the Camps-Elysees!

To qualify for CIEE's program, students must be between the ages of 18 and 30 and must be able to prove their student status. To work in France, they must also be able to speak and understand French.

For more information and application forms, contact CIEE, Dept. PR4, 777 United Nations Plaza, New York, New York 10017; or 236 North Santa Cruz, No. 314, Los Gatos, California 95030.

Senate Minutes

The meeting opened with a moment of silence. Jane Sprinkle, Dan Hurley, Linda Paul, and Frank Keegan were absent. Betsy Boyte is the new Senator from the first floor Bryan.

Sarah Beth Terrell presented a proposal to change the selection procedure for the Promotion and Tenure Committee. The Committee has formerly been selected by Senate in general committee elections in the Fall Semester. The proposal calls for the formation of a committee of seven consisting of: two members appointed by the Community Senate, the Chairperson of the existing Student Committee on Promotion and Tenure and one other current member (appointed by the Chairperson and approved by the Committee), a representative of the Urban Center Student Government, the Academic Dean, and one member of the Faculty Affairs Committee (appointed). This committee would select the five student

representatives before May 1 of the year preceding the academic year of service. Students may petition for membership in writing to the Academic Dean or to the Chairperson of the student committee. The selection committee may follow and interview process if necessary.

The Chairperson of the student committee on Promotion and Tenure will be selected from among those who serve on the committee during the previous year. The proposal also states that members of the Student Committee on Promotion and Tenure may be removed by a majority vote of the committee or by resignation. In either case an explanatory letter will be submitted to the Community Senate. The proposal was approved.

Paul Deaton made a presentation to the Senate on the Bryan House Council's proposal to run a campground by the lake during Serendipity.

He asked that Senators communicate the plans to their constituents and asked for volunteers to help organize and carry out the plans.

The Budget procedure proposal from last week was discussed again and voted on. It was not passed.

Chong Lee reported that the Budget Committee has reserved \$300.00 for the Graduation Committee to be used if necessary in their plans for an outdoor graduation. The Senate approved this decision.

Senators were asked to consider for discussion next week the issue of whether or not to raise the Student Activity Fee. It is currently \$74.00 per student (\$4.00 per student goes to dorm funds, the rest to Senate to be distributed).

Respectfully Submitted,

Nicky McLemore
