

Guilford genuflects to St. Mary's

By Dan E. Fayen

Presently the Guilford College Lacrosse Team's record stands at 1 and 5 and 0 and 3 in Tri-State Conference play. Guilford posted its first victory thus far over non-conference opponent Georgia Tech two weeks ago. The following is a summary of games played up to now:

Guilford vs. St. Mary's of Maryland

Guilford faced last year's Tri State Conference Champion, Saint Mary's College, in Guilford's first Lacrosse game on Sunday, March 11th. Saint Mary's portrayed itself as a finesse team with fine stick handling in its 18-11 victory.

Guilford fell behind early when Saint Mary's attackman, Collins, who led game scoring

with seven goals, tallied on the first goal. St. Mary's ran off 4 unanswered points. Midfielder David Frank put Guilford on the scoreboard at eight minutes and thirty seconds into the first quarter with an unassisted goal. David Frank played an exceptional game leading Guilford scorers with four points and two assists.

David Chanley, Guilford's goalie, played a fine game as he saved 18 shots. Halftime score was 11-4 in Saint Mary's advantage.

Guilford rallied in an explosive fourth quarter and outscored Saint Mary's 6-4, with midfielders Mark Farlow and David Frank scoring two goals each and David Woodruff and Rich Wall adding one apiece in the final quarter. Final, Saint Mary's 18, Guilford 11.

Guilford vs. Randolph Macon

Guilford traveled to Ashland, Virginia to face conference rival Randolph Macon on Saturday, March 17th. In a very physical game played before a sizeable, and boisterous crowd, Randolph Macon avenged its 16-5 loss to the Quakers last year with a 14-11 victory over Guilford. The game proved very costly to the Quaker stickmen, with the loss of star attackman Rich Wall due to a spinal injury recieved during the game.

Guilford quickly jumped to a 1-0 lead, twenty-five seconds into the first quarter. Randolph Macon dominated the first quarter led by R&M's midfielder John Novotny who was the game's leading scorer with a total of five goals. Jim Shirley of R&M was the leading assist maker for both sides with seven. David Chanley played another fine game, saving thirteen shots on goal.

Guilford dominated, ground balls, shots and face offs but fell behind in the all important statistic -- goals. Halftime score found Randolph Macon on top 8-5. Guilford rallied in the third quarter by scoring four unanswered goals. Guilford led at the end of the third quarter 9-8.

Randolph Macon came back in the fourth quarter and outscored Guilford 6-2, giving the Quakers a very disappointing 14-11 loss.

home game. Georgia Tech had been routed the day before by Duke 25-2.

David Frank led Guilford scorers with a hat trick (3 goals). Guilford rallied from their first quarter tie in a decisive second quarter, outscoring Tech 3-0. Guilford defense of Joe "Mongo" Szama, Pete Reichard, and Rick Taylor played a fine game. Guilford dominated all the statistics (i.e ground balls, shots, clears, and race offs) and were well in

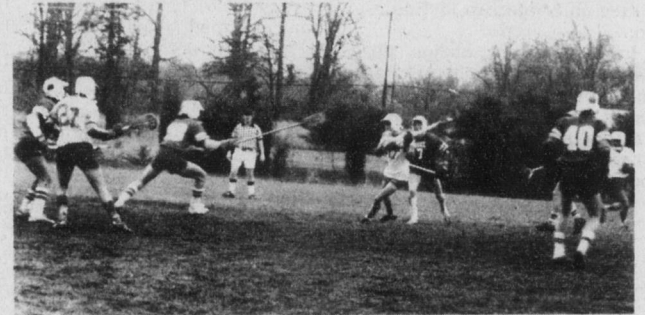

control of most of the game.

Mark Keavney's arrival on the lacrosse field, despite his injured knee, seemed to spark morale and enthusiasm, as he scored one goal and assisted on another.

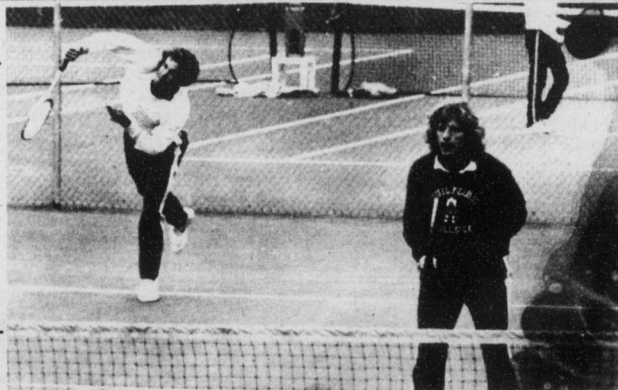

Georgia Tech's midfielder Ziffo led his team in scoring with three goals. Guilford had balanced scoring with eight players adding to Guilford's game total of 13, while Georgia Tech had a game total of 10.

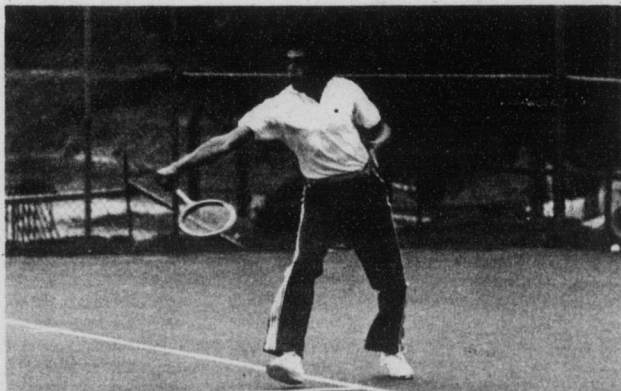

The team relaxes after a disappointing game.

Intramural battles over

Once again, basketball intramurals have concluded with two fine champions. The games, in case you missed them, were fitting finals to a great season.

In the women's game, Binford III met Shore. Binford III used a spread offense and built a halftime lead of 11-4. Binford III continued the spread offense in the second half, and held off any comeback attempts of Shore. Binford III came out the champions with a score of 26-16.

The men's championship game had shades of the 1957 NCAA championship game between UAC and Kansas. That game had only three overtimes. Guilford's men's championship game had five overtimes! The Dixie Chickens (Milner 2N) barely kept a one point lead till halftime. Nine minutes later the Sunshine Slammers (Day Hops) had a two point lead which slowly dwindled. At the end of regulation time, the score stood 32-32.

The teams matched baskets in the first and second overtimes as neither team could pull ahead. With one minute remaining in the third overtime the Dixie Chickens had what seemed like a safe five point lead. However, such was not the case, and the game contin-

ued on. As in the other overtimes, a last second shot tied the game once more at the end of the fourth overtime, 48-48. The teams continued to trade baskets. With two seconds left, a Day Hop player was shooting a two shot foul. The first one missed. The second dropped. The Dixie Chickens got off a shot that bounced off the back of the rim. The Sunshine Slammers had won 53-52 in the fifth overtime.

Congratulations to Binford III (Cinonya Allison, Terry Boucher, Joanie Brigham, Chris Brown, Patty Fried, Ellen Johnson, and Peggy Shaefer and the Sunshine Slammers, Bob Chamberlain, Jim Durham, Brad McAlwain, Matt "Blackjack" Mulligan, Cary Spicuzza, Marty Thomas, and Mark Weston). The Intramural Council would also like to congratulate the Dixie Chickens. Throughout the season and even in the fifth overtime in the championship game, they displayed the attitude that the Intramural Council wishes to promote. In every game, everyone who came was allowed to play. They stressed the ideal of participation for everyone. Again, thank you to the Dixie Chickens; true champions in an important way.
