

Community Notes

A series of Job/Career workshops will be led by Peggy A. King, career counselor, during the month of February.

Friday, February 10:

"Effective Resume Preparation" 3-5 p.m.

Saturday, February 11:

"Effective Resume Preparation" 10am-noon

Saturday, February 18:

"Interviewing for Information, Resume Preparation, Job Interviewing skills," 9 a.m.-12:30 p.m.

Sign up for workshops in Student Services, 2nd floor of Founders Hall. All workshops will be held in room 203 of Founders. Refreshments will be served at Saturday morning sessions. There is a fee of \$7.50 per workshop for non-students and CCE students.

GUILFORD WRITERS SERIES.

On Monday, February 13 at 7:30 pm in the Gallery, Don Willcox, author of a dozen books on contemporary design, will read *Poems From Guatemala*. Coffee and a craft discussion of "Art and Responsibility," will follow at 9:00 pm in the Poetry Center. Don Willcox has held lectureships in Australia, Canada and Denmark. His articles have appeared in such magazines as *Saturday Review*, *American Art* and *Mother Earth News*. He has received national awards in Finland and Denmark and a National Endowment for the Arts award for experimental architecture. His most recent poems, coming out of his experience living in Guatemala, will be published in a handmade edition, the proceeds to go to Guatemala Relief.

The Piper will whistle its last note unless an editorial/layout staff materializes. No experience necessary — only a moment of your time — no expense — contact Janice Lynch 855-6151 or PO Box 17306 for more information.

SWAT APPLICATIONS

Remember when you first arrived at Guilford - the kind, helpful, informed upperclass students who were there to greet you and get you through orientation with a minimum of fuss?

Now, you too, can be one of those students on the Student Welcoming and Advisory Team. Applications are available in the Center for Personal Growth. Pick up one today! Deadline is February 16, 1984.

BARNSTABLE, Mass.—The seaside resort areas of Cape Cod, Massachusetts and the off-shore islands of Nantucket and Martha's Vineyard are experiencing a growing problem in finding enough college workers to adequately service a rapidly expanding tourist industry.

This summer Cape Cod and the Islands will be offering over 55,000 good-paying jobs to college students and teachers. Many of these jobs require little or no prior experience.

Because it is impossible to fill these jobs with local residents, most of whom make up the year-round work force, it is necessary to draw from other geographic areas to satisfy this seasonal need.

Jobs for Students and Teachers

The Cape Cod Summer Job Bureau gathers all pertinent facts on available summer employment and publishes this information in a concise Job Directory which is available to college students and teachers by February 1st each year.

Names and addresses of individual seasonal employers are listed in separate job categories from bartenders to yacht crews.

The Job Bureau is a service agency, and therefore charges no fees to employers or employees.

On Tuesday, February 14 at 7:30 p.m. in the Poetry Center, Don Willcox and Louise Todd Cope, fibre artist, will talk about "Words and Fibres as Environment for Living." Louise Cope, former chairwoman in textiles at the Moore College of Art in Philadelphia, has presented exhibits and workshops in England and Canada as well as the United States. She is involved in a peace quilting venture and in activity focusing on stitches in language.

An easy-to-use job application form, which is now familiar to the local employer, is included with the Directory along with important tips on how to land a good summer job.

Housing Information Included

This year the Job Directory has a section devoted to seasonal housing which lists addresses of people who lease rooms, efficiencies, cottages, apartments, and group rentals.

A useful reference map of the area is included as is a summary of educational opportunities for college credit, and cultural classes in the arts.

For a copy of the 1984 Directory send \$3 (includes 1st Class Postage & Handling) to: Cape Cod Summer Job Bureau, Box 594, Barnstable, MA 02630.

SKI TRIP: The second ski trip of the season, sponsored by the College Union Recreation Committee, will be Wednesday, February 15. It will be to Sugar Mountain. The cost is: \$10 for lift ticket, \$5 for equipment rental and \$5 for lessons. Sign up forms will be available at the Founders Hall Desk February 6-10.

EDITOR POSITIONS: Applications for editors' posts for the *Quaker Yearbook*, the *Guilfordian* and the *Piper* for the year 1984-1985 academic year will be available at the Founders Desk from February 2-17. Selections will be made by the Publications Board before the spring break.

HEAR YE, HEAR YE! This is the last chance to run for executive positions in the Community Senate or College Union. Petitions for candidacy are available from the Information Desk and must be turned in no later than noon on February 10. Elections will be held on February 16 and 17. Become involved and make a difference on your college campus. Challenge yourself! For more information, call Wendy Quimby at 855-6151.

The Administration Council has reviewed College policy for snow and ice removal. The outlines of the policy are noted below. Members of the College community should be aware that Guilford is located in an area of the country in which ice is the major problem. When snow does occur, it is usually wet snow

which quickly turns to ice. During the usually one to three days of a snow and ice storm, it is very difficult to keep the sidewalks free of snow and ice. Community members should exercise extreme caution in walking during and after snow and ice storms.

College snow and ice removal policy:

Ice: The College will spread sand on the porches, steps and sidewalks. In particularly hazardous/heavily traveled areas the sand is combined with a little ice melt.

- Snow:**
1. Main entrances to buildings most utilized will be cleared.
 2. Sidewalks to each building will be cleared by the power broom to facilitate getting to classes. Not all sidewalks will have a first priority. Maps will be posted in dorms and other campus buildings showing sidewalks to be cleared first.
 3. The large tractor will be used to scrape roads and those sidewalks wide enough to accommodate the tractor.
 4. Sand and ice melt is applied as appropriate.

The College is purchasing an additional power broom to attach to one of the lawn mowers to assist in snow removal. Since snow is best removed as it starts to fall, maintenance has the option of starting snow removal during the night if a major storm has arrived.

The Maintenance and Grounds staff will do its best to facilitate movement on the campus under these emergency weather conditions. Given the conditions in this area it is not always possible to achieve that end. We trust the campus will be understanding of the problems involved.

Quotables

By Tom Risser and Brittany Plaut

Question: "What do you think should be done in order to improve the social life on campus?"

Jay Norvell: Vote for Diana Wurster, Libby Enos, and myself for College Union.

Sarah S. Woodruff: Get my boyfriend down here or at least allow more parties in one dorm at a time. It would also help if they allowed quiet get-togethers to go on past 1 a.m.

Mac Pannill: Have more bands and dances here.

Susan Manes: What social life? Increase the number of students enrolled. Preferably a male to female ration of 3:1. Variety is the spice of life, you know.

Markku Salokannel: Get more people to go to campus events.
