## Serendipity Alcohol Policy

We want to remind students that the alcohol policy will not be changed during Serendipity. Alcohol is allowed in rooms and petitions parties. Alcohol in bottles, cans or coolers cannot be

brought into public areas. Students can have beer at petitioned parties but due to the State Law, the liability is too great for the school to sponsor beer for the student body. In spite

of this, the weekend is still looking good. Other events, lots of music, and free Coca-Cola will be provided and no doubt the spirit of fun at Guilford will prevail!
