

Lady Quakers End Hard Season

By Fiona Clem

The Lady Quakers finished a tough season on Saturday, Feb. 20 by losing to Catawba on the road.

The season ended with a 10-16 record overall and a 5-11 conference record. The Lady Quakers are seeded 7th in the conference tournament and will play Pembroke.

"We are in a good position," Coach Jerry Cornwell said. "But we will have to play a 40 minute game. We lose the game in the last 6-10 minutes and we can't afford to do that. We have played some of our best basketball against Pembroke and we'll need everyone to play well and perform."

Noticeable losses to next years line-up will be Felicia Mosley and Lisa Ward. Mosley a 6-0 center and Ward a 5-11 forward are both graduating.

"Both have been assets to the team," Cornwell commented. "They work hard and have good attitudes. They both will be missed."

"Overall the season has been enjoyable," said Cornwell. "The players are great to work with but the inconsistency of the team

is disappointing and frustrating for me as a coach. We could do better."

"The season has been hard for everyone. Changes in the line-up because of injuries affected everyone but they

have played their roles extremely well."

The Carolinas Conference tournament started Thursday, Feb. 25, at Pembroke State University. Guilford, lost to Pembroke in a quarter final game. Guilford was led by Felicia Mosley, a senior forward, with 16 points.

Guilford Honors Top Athletes

By Mike Grossman

Guilford honored its top athletes on February 18 with the twelfth annual Nereus C. English Athletic Leadership Awards Banquet.

The ceremony, which was held in Founders Hall, was attended by coaches and other members of the Athletic Department, and the seven chosen athletes, many of whom were accompanied by their parents.

The English Award, which honors the late Nereus English, an alumnus and long-time supporter of Guilford athletics, is the most prestigious athletic award Guilford can bestow.

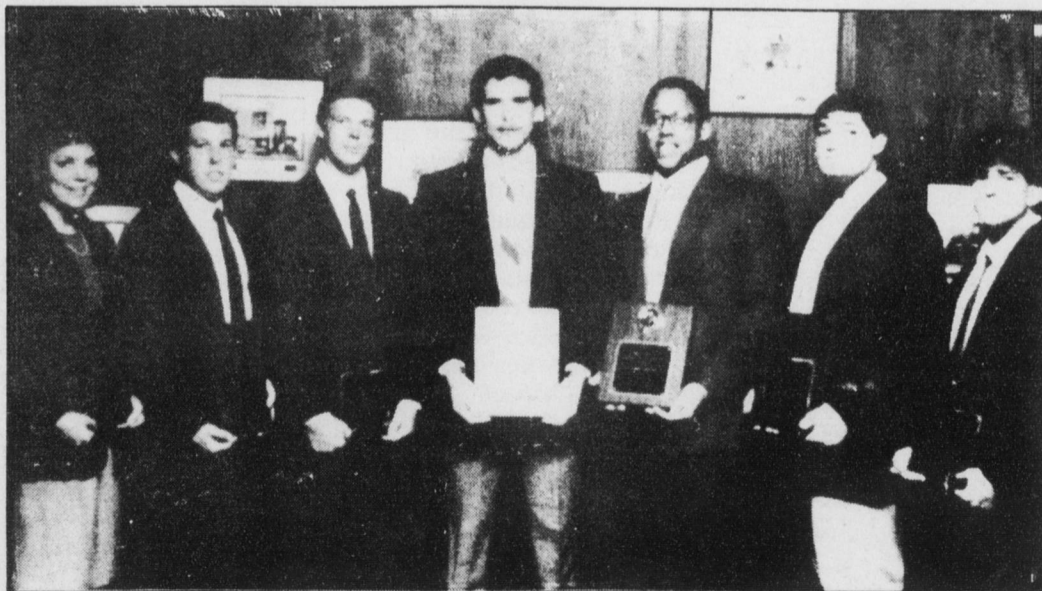

Recipients are selected on the basis of outstanding athletic and leadership ability.

Guilford's head coaches nominate athletes from their sports who they feel best demonstrate leadership and outstanding athleticism, and then the head coaches vote for the athletes who they feel most deserve the award.

The six or seven athletes who receive the most votes win the award.

Here is a brief description of this year's winners:
