

Worse than officials ever expected: WQFS interferences all over campus

Givem Static Staff Bouncer

Complaints about the WQFS interference on campus have been flooding in.

The mismanagers of WQFS have interrupted phone service, blocked pathways to classes, and in some of the more violent cases knocked the very textbooks out of students hands.

Overheard at the height of his frenzied text book attack was Pagan Scanell i can't spell his freakin name-o, "WQFS is your only @#!#** alternative!"

One student said, "I can't get into my classes anymore. Even if I manage to get to Puke Hall, I can't get past WQFS into the building. I'm paying all of this money and I

can't even go to class!"

Students have found that even the most private of situations will be violated. Says one scared student who refused to be named, (see Lisa Davis I told you I wouldn't tell that it was you!!!), "I was trying to talk to my mom, and WQFS came into the room, yanked the phone away from me and hung up."

Officials are trying to alleviate the problem, but the prospects don't look so good right now. "WQFS seems to be firmly entrenched. It's not going to be easy ending the reign of terror."

A forum will be held in the Prod room on Monday.

WQFS in action. See what I mean? Have you ever noticed how much Phallix Millkey looks like Bjorn Borg? I mean, that hair-it makes him look so... Viking. Vikings were nice people. Sure they sacrificed virgins when soldiers died, but hey, who wouldn't? I mean, they had really cool boats and even cooler hair - like Phallix. GOOOOO Vikings!
