6:00 p.m.—Residence halls close for Thanksgiving Break

Compiled weekly by the Information Desk.

# NEWS CLIPS

## Student arrested for handgun possession, awaits adjudication

After Saturday's football game, the Greensboro Police Department arrested a first-year Guilford student on a charge of possessing a handgun on an educational site. This is a felony offense. The student drew a registered, holstered handgun on the Salisbury State football team. According to Mike Kimel, the Director of Safety and Security, the gun was not drawn in a threatening manner. The student faces adjudication by both District Court and Guilford College Judicial Board this week.

## 'Peeping Tom' sighted in Milner

The second incident in Milner of a "Peeping Tom" was reported the evening of Nov. 12. A young man came into the 2nd floor bathroom, apparently looking for someone, while several women were taking showers. The students confronted him, and he left. A witness reported seeing him open the 2nd floor door with a key. As of yet, Security has no suspects. New keys for the exterior Milner doors have been ordered, and will be issued to residents before officials change the locks. Kimel encourages students to be alert, sensitive and inquisitive, and to always report suspicious activity.

## Windows smashed, portable equipment stolen from cars

Approximately 10 cars have been broken into in the last two months. After smashing in windows, the perpetrator(s) stole stereo equipment, C.D.'s and speakers. The break-ins occurred in the YMCA gym, English and Milner parking lots. Security has no suspects, but is patrolling the parking lots more frequently. Automobile owners are encouraged to put portable car components in their trunks or otherwise remove them from the car, keep records of serial numbers and consider installing car alarms.

## Team reports \$850 theft

After Saturday's game, 28 Salisbury State players and coaches reported a total of \$850 worth of money and clothes stolen from their locker room. Security has no suspects. Given that the locker room was locked at all times it wasn't occupied by the team, Director of Security and Safety Mike Kimel believes the guilty party(s) were already in the room or had a key.

# SECURITY

## Campus Safety Reported Incidents October 22 - November 11

Possession of controlled substances: 1	Noise complaints: 6
Thefts (Larcenies, burglaries, auto thefts): 6	Parking violations: 85
Vandalism: 11	Fire alarms: 7
Harassment: 5	Trespassing: 3
	First aid assistance: 1

### SAFETY TIPS

Please record the cost and serial number of any valuables that you purchase. If property is missing please call the Department of Security and Safety and a report will be filed.

According to Greensboro Police Department statistics, the Honda Accord comprises 75 percent of the vehicles stolen in the city. Your security department advises you to invest in an anti-theft device for your vehicle.

# SENATE ESSENTIALS

BY SENATE/CLUB COORDINATOR  
LUIISA CONSTANZA

THE SENATE MEETING OF WEDNESDAY, NOV. 9 started by notifying senators about the new policy concerning illegal substances on campus. President Rich Ewell informed senators about Senate's letter sent to Mona Olds requesting the suspension of the new policy. Still under executive reports, Ewell expressed discontent about the absences of senators. He reminded senators they are permitted only three excused absences for Senate meetings, and announced a new policy whereby two committee absences will equal one Senate absence.

SRC informed the Senate that residence halls will remain open two extra hours Thanksgiving break. In Community Concerns, the committee talked about chalking on campus. They said that a majority of constituents believed that Senate should not restrict students' free speech.

Senate approved Stephanie Jennings as the new secretary. They also approved the special request by AACS Club of \$480 to fund the visit by Cheryl Brown Henderson. Senator Adrienne Massanari expressed the necessity of creating a policy for special requests. The CCE housing policy request was asked for approval, but was delayed to next

senate meeting because of concerns by some senators.

THE WEDNESDAY, NOV. 16 SENATE MEETING started with President Ewell addressing the Milner senators. Ewell reminded them about the importance of attending Hall Council meetings. He then announced the opening of the Junior Senator position previously filled by Stephanie Jennings, who recently assumed the Senate secretary position. The approval of minutes was delayed until the next Senate meeting because extra copies of last week's minutes were not available for senators who didn't get their minutes in their boxes. Various senators expressed complaints about the issue.

In committee reports, the Student Loan Fund Auction Committee informed senators about the process of requesting items for the annual auction. The deadline for receiving items will be February 17. Budget committee recommended the approval of the request of \$2,775 by WQFS Senators approved the the CCE housing request as presented by SRC. The Rugby request of \$200 for new goal pads was also approved.

Mona Olds, Dean of Student Life, talked to senators about the recent drug policy revision. Senators expressed their doubts and comments about the issue. Treasurer Brian Burton expressed his discomfort about the lack of information about the new policy. Other senators were also discontented with the issue and especially with the seizure procedure.
