CAMPUS SECURITY REPORT

Guilford College Department of Security and Safety's report to the community

3-27-97 5:33 pm

A 2911 call was made by the Information Desk requesting Security in Sternberger Auditorium. Upon arrival, Security found a student had been injured after a fall while constructing a stage. The student suffered several abrasions to their back and was treated by Security. The student was also examined by a student athletic trainer.

3-27-97 11:44 pm

Security responded to a 2911 call from Bryan Hall resident who reported that a student had put their hand through some glass and was severely injured. The student was extremely drunk and refused to be transported to the hospital, or any medical attention from Security. Security requested that Greensboro Police be contacted because the student was severely injured, extremely drunk, and was in need of medical attention. Upon the arrival of Greensboro Police the injured student agreed to let friends drive them to the hospital.

3-28-97 1:08 pm

Security responded to a call from a student reporting that their car

had been vandalized in the Student Apartment Parking Lot. Security found the car with two slashed tires and key marks down each side of the vehicle. Security reports that there are suspects in the case, and the incident is still under investigation.

3-28-97 4:00 pm

During a check of Bryan Hall a Security Officer found a one gallon container of gasoline sitting on the ground outside of a suite. Security confiscated the gasoline.

3-29-97 8:48 pm

Security responded to a report of a suspicious individual on the 3rd floor of Milner. Residents of Milner stated the suspect was knocking on doors and bothering people. A description was obtained of the suspect, and positively identified as a former campus worker. Security Officers did a check of the entire building and areas around Milner, but did not locate the suspect. Security reports that a trespass warning will be issued, banning the individual from the campus.

3-30-97 2:28 am

Security Officers were dispatched to a fight at Dana 4.

Upon arrival, officers observed a former Guilford College student, who has been issued a trespass warning against coming onto campus, involved in the fight. The individual allegedly assaulted at least two students and fled the area upon Security's arrival. Officers chased the individual to a nearby residence hall where they cornered the suspect before he could gain access to the building. Security called Greensboro Police to request emergency response to assist Security in detaining the suspect. At that time the suspect allegedly assaulted one of the Security Officers by punching them in the face. Security then detained the suspect until Greensboro Police arrived. When they arrived Greensboro Police Officers placed the suspect under arrest. Several warrants have been issued and served against the suspect, who is currently in the custody of the Guilford County Jail under a \$17,500 bond. Security wishes to thank the students who assisted in this situation for their cooperation in locating and detaining the suspect.
