## Beyond the Scoreboard

Updates, anecdotes, and musings from the world of Guilford College sports

### Women's Basketball

Women's basketball sensation senior Arden Miller has been chosen as one of ten finalists for the Jostens Trophy, an annual award given out to the top player of the year in Division III basketball.

Finalists for the Jostens Trophy receive nomination from a national selection committee. The committee membership includes college coaches, former athletes, college administrators, and selected members of the media.

Criteria for the top award include basketball ability, academic ability, and community service.

Miller just wrapped up her final season as a Quaker, posting back-to-back double-doubles in the first two rounds of the NCAA Division III tournament, her eighth and ninth for the season respectfully.

Miller also received second team All-Old Dominion Athletic Conference (ODAC) honors alongside Quaker team captain junior Erin Beacham at the league's annual awards banquet during tournament festivities in Salem, Va., in late February.

### Men's Lacrosse

The Men's lacrosse team is enjoying their first 3-0 start since 1992, having defeated Richard Stockton in a thrilling 10-9 overtime victory Tuesday.

The winning shot by senior attackman Jason Gauthier came 44 seconds into the overtime period amidst loose-ball scrambling near the Richard Stockton goal. Stockton goalie senior Doug Mineur had stepped out of his cage attempting to pick up the ball but was unable to gain possession.

Guilford had trailed 7-9 before senior midfielder Kevin

Dawyskiba scored 2 of his career high 3 goals in the final 2:11 of regulation to force the overtime period.

### Women's Lacrosse

Women's lacrosse posted their first victory of the season Monday with an 11-8 victory over host Greensboro College.

Sophomore midfielder Melissa Urann led the Quakers with a career-high five goals. After trailing 4-1 at halftime, Guilford (1-3 on the year) opened the second half with an eight-goal run in the first ten minutes.

The women played ODAC rival Washington and Lee Wednesday.

### Baseball

Guilford split a double-header with ODAC rival Washington and Lee last weekend, bringing their record this season to 7-6 overall, 1-1 ODAC. After losing the first game 6-3, Guilford rebounded with 12-3 win in the nightcap guided by six solid innings from senior pitcher Eric Pelletier. Pelletier has won three straight for the Quakers.
