As you may have noticed there are many first-years on senate this year and that is to be commended. I think it is really great that they are stepping up to the plate so early on in their college careers. Perhaps you find this inspiring. If that is indeed the case you are in luck! We are still looking for representatives for:

- Apartments North
- English hall
- The Publications Clubs
- Athletic Clubs

If you are interested please contact me at lgergely@guilford.edu or senate@guilford.edu.

The Steering Committee is comprised of the 4 executives:

- **President:** Ali Stewart
- **Vice President:** Leise Gergely
- **Treasurer:** David Unger
- **Secretary:** Lili Sharpless

The Steering Committee chairs are:

- **Inter-Club Council:** Katie Bailey
- **Business Manager:** Michael Crabtree
- **Campus Activities Board:** Lauren Demarest
- **Student Residence Council:** Maria Moss
- **Academic Affairs:** George Petrov

As Ali has mentioned in previous articles, this year we are trying to develop a sense of community at Guilford. This community includes, of course, faculty. Max Carter attended our first meeting to impart us with some of his knowledge on consensus and on Sept. 28 Adrienne Israel and Ken Gilmore spoke about Guilford's Quality Enhanced Plan (QEP).

See, we really do accomplish more than simply bestowing funds to those in need of it. Want proof? Come see Wednesday nights at 7 p.m. in Boren Lounge. ☺
