COMMUNITY SENATE MINUTES

Nov. 28, 2007

Adding representatives for Milner and Binford halls
Anyone interested in working on the issue of extra representatives for large dorms or Senate representation in general can come to the next Steering Committee meeting on Sunday, Dec. 2, at 2:30 p.m. in 205-B Founders Hall.

Old Proposal

India Work Trip (\$6,000.00): A group of Bonner scholars will teach English, math, computers, and help to build a library. They have decided to address the impacts of service in different countries and learn how to do service better.

Approved

New Proposal

Soy un Lider over budget (\$704.20): They had 250 applicants and accepted 100 students who all came and got information about applying to college. The organizers had to pay for a bus so that students could come.

Kent Chabotar agreed to help fund this.

President Kent Chabotar and Jeff Favolise, assistant to the president for planning and management, visited Senate, and will return to continue the discussion next Wednesday at 7 p.m. in Boren Lounge in Founders Hall.

Listen to the conversation and read the rest of the minutes on Moodle by signing-up for the Online Community Forum.

New proposals are given at least one week after first being introduced to allow time for community input. All new proposals will be continued the following week.

Please direct any comments you have about these proposals to your Senate representative, or bring them to the next Senate meeting on Wednesday at 7 p.m. in Boren Lounge in Founders Hall. You can also e-mail your comments or new proposals to senate@guilford.edu.
