- Apartments North
- Mary Hobbs Hall
- Shore Hall
- Bryan Hall
- Milner Hall
- Sophomore class
- Senior class
- Student Athlete
- GLBTQA

Old Proposals

Sex Workers Art Show (\$2,150): Pride may have other donations coming which would reduce the cost to Senate when they are accounted for. The event will be Saturday, Feb. 2 in Bryan, Jr., Auditorium

Senate will allow one week for input and reflection, and will continue discussion on the issue next week.

Dean's List Dinner (\$750): Concerns about this proposal include:

- The event is exclusive, which may not merit Senate's support.
- Senate should be more intentional about spending it's resources.
- \$750 is a lot of money for food.

Approved

New Proposals

Apartments South Representative: Judy Scoville was runner-up in the elections to the former representative, who can no longer serve.

Judy Scoville was **approved** to serve as representative for the Apartments South.

Student Residence Council (\$5,000-10,000): The SRC has spent most of their \$10,000 budget. Some expressed concern about granting them an additional \$10,000. It was proposed that Senate grant \$5,000 until SRC needs more.

Senate will allow one week for input and reflection, and will continue discussion on the issue next week.

Student Organizations Procedures Reform: Jeremy Bante compared different governing documents and found several contradictions an inefficient procedures.

Senate will form an ad-hoc committee to review Senate's governing documents and advise Senate about possible changes.

Discussion

"Good Judicial Standing": It was proposed that Senate define "good judicial standing" for purposes of allowing Senators to hold office to only exclude those receiving a sanction barring students from participating in student activities. Some expressed concern about individuals' rights to be comfortable in public discussion, which may include being in the company of perpetrators of various personal assaults. Others expressed concern about individuals' rights to participate in student government.

Senate will allow more time for input and reflection, and will continue discussion on the issue next week.

Listen to the conversation and read the rest of the minutes on Moodle by signing-up for the Online Community Forum.

New proposals are given at least one week after first being introduced to allow time for community input. All new proposals will be continued the following week.

Please direct any comments you have about these proposals to your Senate representative, or bring them to the next Senate meeting on Wednesday at 7 p.m. in Boren Lounge in Founders Hall. You can also e-mail your comments or new proposals to senate@guilford.edu.
