

THE HOCKEY BANQUET

Monday night, March 20th, a banquet was given in the College dining room for the Hockey teams. A four course dinner was served.

The St. Patrick's Day idea was carried out in the decorations and place card. Long green and white streamers were hanging from the center of the dining room to the corners. Green balloons were suspended from the center of the ceiling over the long team table. The place cards and favors were especially unique. The place cards had on them the pictures of the guests instead of their names. The favors were shamrock leaves with tiny white pipes or hats attached.

Miss Harriett Harris, head of Hockey acted as toast mistress. She called on Dr. Rondthaler first, who spoke in very congratulatory terms. His speech was full of spice and wit, and roars of laughter and applause followed his final statement that he "felt like the stout woman climbing a mountain behind her husband, who called out to her husband that her breath was coming in short pants."

Miss Carroll, the referee of the game, who has charge of the athletics of the city high school, Miss Jackson, physical director, Katherine Denny, captain of Junior team and Margaret Smith, captain of the Sophomore team all responded in turn after being introduced by Miss Harris. From these speeches we learned that there is a great future for Hockey at Salem.

Between courses delightfully original songs were sung by different classes Music was furnished by Mildred Barnes, piano, Laura Howell, violin and Mr. Jas. Piatt, drums. The program was ended with the Alma Mater.

The following girls made Varsity: Annie T. Archbell, Katharine Denny, Bright McKenzie, Rachel Jordan, Margaret Smith, Louise Young, Margaret Russell, Jessamine Brown, Bessie Chandler, and Ova Mae Stafford.

SALEM ACCREDITED "A CLASS" COLLEGE.

Greensboro, March 11.—Salem College has been accredited an "A Class" institution by the College Association of North Carolina, in co-operation with the State Department of Education.

This announcement, which means much to Salem College as far as its position in the educational world is concerned, was made this morning at the closing session of the College Association, which has been in session here for the past two days.

Dr. H. E. Rondthaler, of Winston-Salem, was elected president of the association for the ensuing year, while Prof. N. W. Walker, of the University of North Carolina, Chapel Hill, was elected secretary and treasurer.

HOCKEY FINALS PLAYED.

Junior-Freshman Winner—Score Was 4 to 2.

A large and "peppy" group of spectators was on the hill promptly at 3:15 Monday afternoon, March 19, 1922, to witness the final hockey game between the Senior-Sophomore and the Junior-Freshman teams. This great interest was most gratifying to the players, for hockey is taking a prominent place among the field-sports of Salem.

Immediately upon the arrival of Miss Carroll, the referee, the teams appeared on the field, giving yells, first for Salem, and then each team for its opponent. As soon as the whistle blew there began an exciting fifteen minutes of well-matched play. After about five minutes of hard struggle the Senior-Sophomore team made a goal. This seemed to inspire the Junior-Freshman team to fight even harder, so that in just a few minutes the score was a tie. In the remaining few minutes of the half both teams did splendid playing, but neither scored again.

For ten minutes the opposing teams rested among their respective supporters; and upon Dr. Rondthaler's blowing the whistle, they rose to their places fully determined to break the tie.

During the second half splendid playing was done on both sides, but especially notable was that of Bright McKemie, who played running, standing, and sitting. The Junior-Freshman team was the first to break the tie with another goal to its credit. The second goal of the half was won by the members of that team, too. Several times the ball was in a few inches of the Senior-Sophomore goal, but the splendid goal-keepers of the Junior-Freshman kept it out. Finally the almost invincible forwards of the Senior-Sophomore team did add another goal to its score. Immediately the Junior-Freshman scored again and the time keepers' whistle blew to end a splendidly played game with a score of 4 to 2 in favor of the Junior-Freshman team.

The Senior-Sophomore team, which put up such a good fight, was fortunate in having Mathewson, Young, Archbell, and Smith in the line-up. The stars of the Junior-Freshman were Moore, Zachary, McKemie, Stafford, and Warren.

The line-up was as follows:
