

JOKES

Fresh—Goodness, if you bob your hair your parents will disinherit you.

'Nother Fresh One—Huh, I don't care, for they don't have anything to inherit me anyway!

\* \* \*

Jigger Shaw—I feel real fresh now, I've read so much History. Whew.

Mary Hill (quite the philosopher)—Fresh? You ought to feel ancient.

\* \* \*

Outside In

First Fresh (exclaiming angrily)—You're a cocoa nut!

Second Fresh (in the same tone o' voice)—Oh, you're a peanut!

Third Fresh (peacemaker, arriving on the scene)—If you don't hush, I'll pout you both in a chestnut and hoard you away.

\* \* \*

Let's Go

Crowd of Girls (standing in the class room)—Well, I sure do wish I could go to see "Shuffle Along." They say it's grand.

One Soph. (seeing a teacher coming toward them)—I think I'm going to shuffle along right now.

\* \* \*

Just Accompany Them

"Is there any way of stopping these cyclones?" asked the man from the East.

"Oh, no," replied the Westerner; "the best way is to go right along with them."

\* \* \*

The Warden—As you are leaving remember "while the lamp holds out to burn, the vilest sinner may return."

Number 999—I guess that's right, warden. You'll probably see me back here before long.

\* \* \*

Bent Too Far

The Princetonian—I was on pleasure bent.

The Varsarite—And then—  
The Princetonian—And then, before I knew it, I was broke.

\* \* \*

Better Time

The Highbrow (thoughtfully)—The tide moves a lot in twenty years.

The Lowbrow (who got stung on a suburban land scheme)—It moved mine overnight.

\* \* \*

His Last Resort

The Collector—Is your master at home?

The Servant—Yes sir; walk in.  
The Collector—Thank heaven, I shall see some money at last.

The Servant—Don't make that mistake. If he had any money, he wouldn't be at home.

\* \* \*

Fresh.—Somebody just cracked me on the bean.

Soph.—I thought you were nutty.

\* \* \*

Crewe—Good heavens, how it rains! I feel awfully anxious about my wife. She's gone out without an umbrella.

Drew—Oh, she'll be alright. She'll take shelter in some shop.

Crewe—Exactly. That's what makes me so anxious.

A Definition

"Father, what do they mean by gentlemen farmers?"

"Gentlemen farmers, my son, are farmers who seldom raise anything except their hats."

\* \* \*

Lieutenant Lang—I captured forty-seven Germans during that one afternoon.

Miss Green (brightly)—Dear me! And are you allowed to keep all you catch?

"Amy says she'd like to go to war, if there is one."

"Yes, and all dressed up to kill, as usual, I suppose."

\* \* \*

Near-sighted Gentleman in picture gallery—"Dear me, why do they have such pictures here? That is the ugliest one I've ever seen."

Wife (angrily)—"Come away, you fool, that's a mirror you're looking into."

ANNOUNCEMENTS

At Y. P. M. Wednesday, there will be summed up certain results of the faculty and student activities during National Thrift Week. Particulars of a typical student budget will be presented.

Due to the fact that examinations begin Saturday, January 26, there will be no hockey practice on the Friday preceding, since that hour will probably be needed for study.
