OUR PRESIDENTS
The recent elections of presidents and officers of the Y. W. C. A. and the Student-Self Government Asso-
ciation indicate that next year will ciation indicate that next year will
be one of the best and most prosperous that Salem has ever experienced. The new presidents are especially to
be congratulated, for each is fully capable of undertaking the responsibility that has been placed upon
her. It is to be hoped that they her. It is to be hoped that they
will receive the co-operstion of the wilire seceive tudent body in all of their
entire work and undertakings.
It is a gratifying fact that the
students this year have wher students this year have whole-heart-
edly responded to the various calls from their presidents. Some few
tudents still feell, hew. students still feel, however, that once
the leaders of an association the leaders of an association are
elected, they have done their duty and are free to sot back and let the zation is to be a sucess, it must have the sincere interest and co-oper-
ation of each member of the student body. Each student should feel that she is an active part of the organi-
zation, that the organization is de zation, that the organization is de
pendent on her for its success, and pendent ot her for its success, and
that she has a definite responsibility
placed placed on her. Again for next year
we have chosen capable girls for leaders, and realizing that we have not given our best support to the
officers this the officers this year, let us pledge our
services and loyalty to the leaders services and
