FRESH DIVIDE WITH JUNIORS

Junior Varsity Wins but Reserves Lose in Games

The Juniors and Freshmen called it all even in a fast basket ball double bill on Thursday March 2, the Juniors winning the varsity game by the score of 47 to 38 and the Freshmen gaining sweet revenge by taking a one-sided game from the Rosvres, 46 to 14.

The varsity contest was a nip-and-tuck battle until the Juniors sprung in the last half to win the victory. The Juniors grabbed a 22-18 lead at half-time and pushed this to 40 to 32 in a whirlwind third period attack.

Huntington featured the scoring drive for the Juniors, while the defensive play of the guards, Biles, Pollock and Petree stood out in the game.

McNeely proved the scoring ace for the Fresh with Rondthaler featuring the defensive work.

Both teams showed fast passing and accurate shooting and the game was interesting throughout.

The Freshmen Reserves, led by Draper, went into a quick lead in the second game and soon ran out to a safe margin. The visitors led at half-time, 26 to 4.

Draper, Lyons and Stinson played excellent basket ball at the forward posts while Torrence and Ward put in a fine exhibition at guarding. The visitors showed a clever passing attack and the forwards handled the ball well under the basket. The Fresh also used height to an advantage to keep possession of the ball.

Varsity Game

Freshman (38)	(47) Juniors
Seals (14)	(17) Leake

Glady: "Appearance, my dear; but he's got to appear pretty soon."

Rachel: "What's the technical name for snoring?"

C. Preston: "Sheet music."

SOPHS DIVIDE WITH SENIORS

Senior Varsity Wins While Reserves Lose in Game

The Seniors and Sophomores divided a fast double-header in basketball in the championship race on Wednesday, March 1, the Seniors winning the varsity game, 29 to 16 and the Sophomores taking the reserve game by the count of 29 to 11.

The defensive play of the guards featured the varsity game at the guarding on the part of the two teams halting the highly vaunted forwards at every turn. The forwards, under tight work of their rivals could never get started and only O'Brien found the range with success. Her floor work and passing also stood out for the Seniors.

The Seniors forged into an early lead and held the front throughout in this game, holding a 13-6 margin at rest-time.

The Sophs turned the tables in the reserve game and played as a unit to halt the Seniors at every turn. Jetton led the scoring for the winners in this game, finding the basket for 15 points.

BATS AND BALLS

Wednesday, March 8, marks the close of the basketball season. It started out not so good but has steadily improved and the Freshman-Junior game was the best one yet played. Tri-angle defense slows up the game but when the Freshman guards get their eye on the ball it breaks up considerably the forty-five degree angle shots of the Junior forwards.

There has been some discussion as to whether the Sophomores will play in the championship game. For some reason or other it has been said that the Sophomores will have to play the Seniors again. In the Athletic Council meeting it was decided that the first game wins would count 2, the second 1 and ties 1-2. According to this the Sophomores are 1-2 points ahead of the Seniors and 1-2 point is after all 1-2 point.

SEE THE NEW IMPROVED
2-TUB DAMP-DRYER EASY WASHER

Just think! The famous EASY Damp-Dryer replaces the dishaband wringer! This most splendid wash-er drowns out the old. Things like blouses and button plows that will not go through a wringer are compared in the EASY Damp-Dryer. There are two separate tubs so that clothes can be washed and rinsed or line-dried at the same time. Clothes can be rinsed without handling until ready for the line. They are disintegrated so well that on many days they can be ironed without dripping hems.

A new, fast, automobile-type pump creates all water for you. No more lifting heavy balls of water.

Washing and ironing time is saved because there are no broken buttons, no torn clothes, and no hard to trim out creases.

Without any doubt, the new 2-Tub Damp-Dryer, EASY is the greatest washer advance in years! You simply can't imagine what it offers in extra convenience and smart appearance until you've seen it and tried it on your own things. Its two beautiful, porcelain enamel tubs, its bright metal top, and its modern design makes it a handsome addition to any home.

SEE FOR YOURSELF!

You must see this new EASY Washer for yourself to realize its marvelous new beauty and convenience. Please us today!
