

WE ARE INDIVIDUAL

Individuality? That's what Salem has. Why? Because it is so different from other colleges that it seems more like home than college. That's what it takes for a school to get along. Individualities of Salem College.

- 1. A Jolly President.
2. Lack of nostalgia (homesickness).
3. Saturday afternoons.
4. Rondthaler dinners.
5. An honor system that is not like the one in which the teachers have the honor and the students have the system.
6. Fradition.
7. Natural beauty of lower campus.
8. Congeniality of the students.
9. Informal afternoon teas-at the hungry times-Sunday afternoons and during exams.

BISHOP GRIBBIN

Salem takes this opportunity to add her congratulations to many given Rev. Robert E. Gribbin who has recently been made Bishop of the Diocese of Western North Carolina of the Episcopal Church. Bishop Gribbin and his family will move to Asheville. Salem is rightly proud of this former faculty member.

SPECIAL FEATURES MAKE FOUNDER'S DAY SIGNIFICANT EVENT AT SALEM

(CONTINUED FROM PAGE ONE) congealed spring salad, and apple pie a la mode. We hope you don't remember what Dr. Potest told us about distines that end our shapes, but will enjoy everything to the last!

Founders' Day is nearly over. Every Salem lover, whether Trustee, Alumnae, Faculty, student, or friend, can certainly say:

"True is our love, O Salem. Thy name we proudly own. The joy of comradeship is here, Thy spirit makes us one."

MISS LEFTWICH

Miss Bessie Leftwich, head of the Home Economics Department, is now at the infirmary recovering from a sinus operation which she underwent at the city hospital. We hope she will soon be able to be out again.

Mary Ollie Biles has been confined to her home on account of a tonsillitis operation. We hope you'll soon be feeling much better, Mary Ollie.

SALEM GIRLS HONORED

Miss Edna Higgins, of the Junior Class, has been made general chairman of the Forsyth County Young People's Conference for next year, and Miss Jane Rondthaler has been made banquet chairman. These elections were made at the conference held at the Home Church Tuesday. At this time the main address was made by Rev. Shuford Peeler, general secretary of the N. C. Sunday School Association.

Miss Pauline Turner Becomes Bride Of Claude B. Doughton

Miss Pauline Turner and Claude Doughton were married at 4:30 o'clock at Centenary Methodist Church Saturday, January 27. Prior to the impressive ring ceremony a beautiful program of nuptial music was rendered.

Mrs. Doughton is the only daughter of Mr. and Mrs. W. H. Turner. She graduated in piano at Salem College and attended Columbia University in New York. Mr. Doughton is the son of Congressman and Mrs. Robert L. Doughton of Laurel Springs and Washington, D. C. He was educated at Wake Forest and Davidson Colleges.

Mr. and Mrs. Doughton will be at home in North Wilkeboro upon their return from a wedding trip north. Tuesday night Dr. and Mrs. Rondthaler had dinner in the college dining room as the guests of Georgia Huntington.

NEW STUDENT

Yes, good luck has come "Salemward" again and New Jersey has sent us a new student. The name is Emma B. Wargo and she hails from Trenton, New Jersey.

She is a Junior, having attended Goucher College for three years. We welcome Emma B. and hope she will like Salem. So far she seems to like everything about it and especially the friendliness of the girls (she said I could quote her on that!)

So three cheers for Emma B. and Salem spirit.

DR. POTEAT'S ADDRESS

(CONTINUED FROM PAGE ONE) iod came realism when the people sought wealth for themselves, and became narrow-minded, then isolated, then cruel.

In the conflict of the disunited world of today, Dr. Potest feels that we must unite in the highest spirit of idealism. Esau is gone. Jacob is gone and his people are scattered. But Christ Jesus, the supreme idealist, is here today. No lasting foundation can man lay except that which is based on the philosophy of the living Christ. "So eat, so drink, and so be merry, that you may have eternal life."

Always the Finest Tobacco and only the Center Leaves

NOT the top leaves -they're under-developed

The Cream of the Crop

NOT the bottom leaves -they're inferior in quality
