

BASKETBALL CHAMPIONSHIP

Sophs and Seniors To Clash Tonite

Basket Ball Banquet to Be Held Monday Night

Tonite at six forty-five in the but there will be a battle royal between the bold Sophomores and the dignified Seniors for the right of ownership of the basketball championship for the year 1934. The sophs are undefeated so far—a wonderful record for an under class—but the seniors have the deciding one major game and are looking anxious to keep that record of championship they won as juniors. The last game of Wednesday night between the freshes and the sophs gave the seniors their privilege of playing in the championship game, but for awhile it looked as if those little Freshmen were coming right on top in an upset of the season.

Monday night, unless the present plans are changed there will be the annual basketball banquet at which the winning team receives the cup and the varsity is announced.

FRESHMEN WIN OVER JUNIORS

The Freshmen, playing a beautiful defensive game, pulled a fast one and completely cramped the Juniors, winning the game with a score 41 to 24. Freshmen Reserves also strutted out for red and black winning over the older girls in a battle closing 34 to 24.

La Rue Hill, tall center forward, led the attack for the Freshmen, but

lock, Council, and Little wrecked completely the Junior offense, playing a close, fast game. Charles and Nolan demonstrated excellent ability and aggressiveness at their forward posts, thus making the Fresh team practically impenetrable.

Binder came to the front in the Reserve game, doing the spectacular scoring for her Junior team. Meadows and Little did exceptionally good work for the Freshies.

JUNIOR-SENIOR BASKET BALL GAME

The Seniors defeated the Juniors in a hard-fought game Monday afternoon by a score of 38 to 10. The Seniors, working smoothly, gained the lead and held the front through the entire game.

In the second game, which followed almost immediately the first one, the Seniors brought into action a strong flank shooting game piling up a score

defense because they wanted very much to play in the final game for the cup and they realized that the score of that game would either give them an opportunity to do so or take away that opportunity.

Sophomores upset the Senior dope bucket Thursday night defeating the veteran winners by a score of 45 to 29.

Sophomore forwards played a brilliant unbreakable all through the game. Senior players rallied to a speedy come-back in the third quarter, bringing the score from 9-27 at the half to 21-32 at end of third quarter.

Lynas and Best exhibited exceptional ability at shooting while Scales kept in lash by Pollock, proved commendable for her agile floor work. Huntington and Leake were outstanding as Senior score-men while Holloman's quick passing and follow-up work was spectacular.

Sophomore guards played a tight

man-to-man game thwarting the Seniors every move. Practice and ability both aided in good team work and fighting spirit.

Senior guards, playing the impene-trable defense of Pollock, Petree and Biles, played a hard, cooperative, and spirited game. Both man-to-man and triangular defense was used.

Both teams were weak in pass-work and accurate shooting.

The second team's game was a hard-core fought contest than the score board showed.

Sophomores playing Kirby, McNew, and McNeely as forwards, piled up an excessive score of 45 on the Seniors' 17. McNeely, accurate shooter, led the scoring for her team.

Motsinger, beginning the game as guard, was transferred to the position of forward in the last quarter, rapidly running up a lead in scoring. Ashburn replaced Motsinger as guard.

Grimes and Hadley displayed good possibilities at their guard positions. The line-up was as follows:
