Helen Wills Moody, former American women's tennis champion, who was forced to retire from the game a year ago because of back trouble, is practicing in California and may attempt a comeback.

**ATHLETIC COUNCIL  
HOLDS DINNER  
BUSINESS MEETING**

The Athletic Council met Tuesday night at a dinner held in the little dining room. The dinner was in the form of a business meeting. Miss Atkinson brought up several topics which, if carried out, will be of great interest to everyone.

Knockout on the campus in 1906: I asked a miss, "What is a kiss, Grammatically defined?" She said, "A kiss is a conjunction sir, And cannot be declined."

"The New York Daily News Plant uses 8000 lbs. of paper, or 4 tons daily. The presses rattle out 1000 printed yards a minute. We buy the paper for 2 cents and never know how it is put together."

**APOSTROPHE TO  
MAN**

Detestable race, continue to expunge yourself, die out.  
Breed faster, crowd, encroach, sing hymns, build bombing air-planes;  
Make speeches, unveil statues, issue bonds, parade;  
Convert again into explosives the bewildered ammonia and the distracted cellulose;  
Convert again into putrescent matter drawing flies.  
The hopeful bodies of the young; exhort,  
Pray, pull long faces, be earnest, be all but overcome, be photographed;  
Confer, perfect your formulae, commercialize  
Bacteria harmful to human tissue,  
Put death on the market;  
Breed, crowd, encroach, expand, expunge yourself, die out, Homo called Sapiens.  
—Milay.

**JOY**

Though joy is better than sorrow joy is not great;  
Peace is great, strength is great.  
Not for joy the stars burn, not not for joy the vulture  
Spreads her gray sails on the air  
Over the mountain; not for joy the worn mountain  
Stands, while years like water  
Trench his long sides. "I am nither mountain nor bird  
Nor star; and I seek joy."  
The weakness of your breed; yet at length quietness  
Will cover wistful eyes.  
—Robinson Jeffers.

**BEING YOUNG AND GREEN**

Being young and green, I said in love's despite;  
Never in the world will I to living wight  
Give over, air my mind  
To anyone,  
Hang out its ancient secrets in the strong wind  
To be shredded and faded . . .  
Oh, me, invaded  
And sacked by the wind and sun!  
—Milay.

**PARASITE**

Good woman,  
Don't love the man.  
Love yourself,  
As you have done so exquisitely before.  
Like that tortoise-shell eat of yours  
Washing away the flies; or are they fleas?  
You've hurt him again?  
Good!  
Do it often.  
No,  
He'll love you the more  
Always.  
Remember how he forgave you the last time,  
And how he loved you in the forgiving.  
Give him an adventure in godhood  
And the higher moralities.  
Hurt him again.  
Fine!  
—Alfred Kreymborg.

**DO COLLEGE STUDENTS  
WASTE THEIR TIME**

Mount Vernon, It. — What do college students do with their time? In answer to this not-too-important query, Prof. Russell Cooper, of Cornell College, gives us the following data from a survey conducted by him recently:  
1. Senior men spend 55 hours of each week sleeping.  
2. Women of Cornell College devote four hours per week more than the men to personal appearance.  
3. Senior men are the most studious of the students, and they spend nine and one-half hours per week at the dining table.  
4. Freshmen write home on the average of two and one-half hours a week.  
5. Junior women consume nine hours and thirty minutes each week for "entertainment."

believe that through her there is assistance in bringing Christ to them and them to Christ. It is not at all justifiable to deity her.  
Is it wrong to study on Sunday? First of all we have the command to cease labor on Sunday, and to rest, but when Christ came he emphasized the view point that the Sabbath was made for man rather than man for the Sabbath. A rest from the usual six-day labor is altogether advisable and delightful.

**SOPHOMORES BEAT  
SENIORS**

Monday afternoon the Sophomores played the Seniors at Volley Ball. Other classes, take notice, because, so far the Sophomores are nearer the Volley Ball Cup than any other class. They (Sophomores) beat the Seniors, and for lack of players the Seniors forfeited the last game. For the Seniors McLean's floorwork was good, while Krites' service excelled. Maslin and Wurrechke served well for the Sophomores and Bullock's floorwork was fine. All players put up a good fight. The line-up:  
Seniors ..... Sophomores  
McLean ..... Wurrechke  
Krites ..... Bullock  
Morris ..... Baynes, Elouise  
Higgins ..... Council  
Hines ..... Fraley  
Jerome ..... Maslin

There are two kinds of jokes that pupils laugh at: the funny ones, and the ones the teachers tell.
