SALEM SPEAKS TO THE SENIOR

Graduating from college is like having a birthday. You must suddenly realize you are "growing up." Not in the ordinary sense, of course, of abandoning hair ribbons and socks, but you are "growing up" mentally, learning to depend upon yourself, and beginning to adopt a graver, more serious outlook on life.

In exchange for having to give up certain childish things in this painful process of "growing up," you have acquired many admirable characteristics and qualities. You have attained a degree of poise, an ability to discriminate, and a sense of appreciation for that which is beautiful and good. Your mind has grown more alert, more inquiring. With such a plentiful bounty of good things, it would seem that your stock would be complete.

But hidden deep somewhere in the lot of good things you have acquired during your college years, we believe there has also grown up within you a lasting love and devotion for Salem College. Because it is your college, it has been made a part of you as you have made yourself a part of it. We hope that Salem will always have that little part of you which makes you want to come back again and makes us so very glad to see you. It is a lovely gift you have given us, that little part of you. We guard that treasure which is your friendship, with care and affection. May we never lose it.

TO THE CO-EDS

There are certain young men on the Salem College Campus who merit a great deal of credit. These boys must be magicians—on look at the "Hut" Saturday night would prove that fact. The gym was transformed from a brown, barren hut into a yellow and white ball room. The co-eds gave us one of the best parties of the year, and we want to thank them for it. Here's to the co-eds.

A scientist was heard to remark the other day that coal keeps on improving with increasing age. It seems there's no fuel like and old fuel.

JOSEPHINE WALKER AND FRIES SHAFFNER UNITED IN MARRIAGE

Thursday morning, May 16, at 9:30 o'clock at the Home Moravian Church Miss Josephine Walker was married to Fries Shaffner. The Church was beautifully adorned with lillies, white dentzia, white American Beauty roses and maiden hair ferns. The bride entered the church from the rear entrance on the arm of her father who gave her in marriage. She was met at the chancel rail by the bridegroom, Fries Shaffner, attended by his best man, his brother, Jack Shaffner. Their marriage vows were taken before Bishop J. Kenneth Pfohl.

The bride wore a handsome modish ensemble of gold doe-skin with brown accessories. Her corsage was of talesman roses and valley lilies.

Mrs. Shaffner, the very attractive daughter of Mr. and Mrs. Robert B. Walker, is a graduate of Salem College. Mr. Shaffner was educated at the Moravian College, Bethlehem, Pa.

SENIORS ENTERTAINED AT TEA BY A.A.U.W.

On Friday afternoon, May 17, the local chapter of the American Association of University Women gave a delightful tea at the home of Mrs. Wingate Johnson, on Stratford Road, in honor of the Senior Class at Salem College.

The house was decorated with late Spring flowers and the guests were met by Mrs. Melvin Prongay, Mrs. Wingate Johnson, Miss Daisy Lee Glasgow, and Miss Katherine Emmart. Delicious ices were served in the dining-room and many Seniors called throughout the afternoon.

LATIN CLUB PICNIC TONIGHT

The Latin Club is going "sky-larking!" The time will be May 22, the place, the spacious lawn at Eugenia McNew's home, and the occasion, a good, old-fashioned picnic. First everyone will try her luck at hitting bull's eyes, wickets, or trees with arrows, mallets, or bicycles. Then goody, the eats! After supper, there will be a treat, indeed, for Mr. T. Wingate Andrews, the superintendent of the High Point public schools will turn attention from "larking" and eating to the sky. He will talk about the stars and will explain and point out various constellations. Latin Club, may the moon and stars shine for you tonight.

MARY L. HAYWOOD ENTERTAINS AT GRILL SUPPER

Friday, May 17, Mary Louise Haywood was hostess to approximately seventy-five of her classmates and friends at the lovely country place of her parents, Arden Farm on the Clemmons Road.

The party left Salem about five o'clock accompanied by several members of the faculty. A delicious out-of-doors supper was served to the guests on tables placed around a fish pool at the foot of the front lawn.

MIRIAM STEVENSON AND WINFIELD HUNTER WED

Mr. and Mrs. Charles E. Stevenson have announced the marriage of their daughter, Miriam McFarland, class of 1934, which took place on April 13, 1935, at Hillsville, Virginia. The ceremony was performed by the Reverend A. Brabston.

Mrs. Hunter is the only daughter of her parents and is a graduate of Salem College and of the Salisbury Business College. While at Salem she was a member of the May Court and prominent in athletics.

Mr. Hunter, son of Mr. and Mrs. George W. Hunter, of Salisbury, is a graduate of Catawba College and of the Salisbury Business College. For the present the young couple will live with the bride's parents.

THE IRIS GARDEN

Have you been down to see the iris gardens by the steps on the way to lower campus? If you haven't you must hurry down and see them before the iris are gone. I suggest that you take your paper and pen down to get inspiration to write a letter to your love. There is a convenient landing just above the garden where you can sit to "take your pen in hand." And if your love owes you a letter or somethin' you can just go down and look at the lovely lavender and purple iris. I like the yellow ones best myself, but I guess that is because I haven't ever seen many yellow iris. The present junior class gave this garden to Salem in their Freshmen year. The authorities on iris tell me that iris get prettier every year but I think that these will have a hard time improving over this year. And incidentally if you are taking pictures (and lots of people are this time of year), I don't know of a better background for your smiling face.

Y. W. C. A. NOTES

EVENING WATCH

Evening Watch was held Friday night at 10:00 o'clock in the "Y" Room of Alice Clewell Building. A light to illumine the painting of Christ in the Temple, was presented by the Freshmen Commission, so that the girls may carry away with them the memory of a softly-lighted room, with the picture of Christ looking down on the girls gathered there, singing and worshipping Him. The picture had been given to Bishop Rondthaler by the "Y" many years ago, and this year Dr. and Mrs. Rondthaler presented it to the "Y," in memory of the Bishop.

Mrs. Rondthaler gave a short guiding talk, and two songs that we have recently learned at Evening Watch, "Living For Jesus," and "Let the Beauty of Jesus be Seen in Me," were sung.

Y. W. C. A. ELECTS NEW ADVISORY BOARD

At a recent meeting of the Y. W. C. A. Cabinet, the members elected a new advisory board for the coming year 1935-36.

Each year the Y. W. C. A. elects a few members of the faculty to be members of an Advisory Board, which stands back of the Cabinet and gives helpful and constructive advice. The members of this body are elected because of the interest that they have shown in the Association and its projects.

The Advisory Board is as follows:

Mrs. Rondthaler, Chairman
Miss Riggan
Miss Lawrence
Dr. Minnie J. Smith
Mrs. Downs
Mr. McEwen
Mr. Schofield.

MISS MARKS TELLS OF HULL HOUSE

(CONTINUED FROM PAGE ONE)
ted to dramatize some story or poem which has appealed to them. There is also a chance for the learning and enjoyment of good music."

Miss Addams the founder of Hull House died in Chicago, Tuesday night after an operation on Saturday. Funeral services will be held in Hull House Court at 2:30 p. m. Thursday. The body is to lie in state in Bowen Hall at Hull House today in order that the thousands who have known and respected Miss Addams may pay her tribute.

HOW NOT TO LIGHT A BRIDGE TABLE

Think of trying to play bridge by the light of two candles, stuck in bottle tops. Yet that is the equivalent of the light in many homes — a level of illumination that will make any party drag.

For gayer, livelier parties, use an indirect portable lamp. It provides the ideal light shadowless and glareless — for playing bridge and other games in comfort . . . and an equally efficient light for a quiet evening of reading.

Phone Southern Public Utilities Co. and ask for a free demonstration of the new type direct-indirect lamp in your home.

EXAMS

"Busies" stare at me from every door as I walk down the halls of the two dormitories and much to my disgust I can't even whistle "It Won't Be Long Now," without getting "sh-ed" up! I walk out on lower campus, but lo and behold two math majors shout for me to be quiet, I go to the drug store and find Biology, Chemistry, German, English, History, etc., all over the place; I go to the "P. O." only to get a letter saying study; I turn on the radio only to hear a course in "How To Study," and then I go to the library with books in hand to begin. Oh, this life of Exams!

RENUNCIATION

This the three grey sisters planned
Spinning, cutting, always;
This was my heritage — nay
Even for this I prayed.
This price I paid for my songs.
Now have I ceased to struggle
To reach that small window high,
But search for light among the
depths
For that light still glows within my
soul
That I saw when first I pressed
My eager face against the glass.
Grown calm I see
That these shining turquoises,
(Each a perfect bead within itself),
Are naught —
Save that the Cross there makes
them splendid.
