Shown here is one of the many blending operations in the making of Chesterfields. Everything science knows about or money can buy is used to make Chesterfield a milder, better-tasting cigarette.

Television would show you Chesterfield has the RIGHT COMBINATION for More Smoking Pleasure

They Satisfy

Copyright 1939, LIGGETT & MYERS TOBACCO CO.

Every year thousands of visitors to the Chesterfield factories see the infinite care with which the world's best tobaccos are combined to give you Chesterfield's can't-be-copied blend. It is this wonderful blend that makes Chesterfield so refreshingly different . . . milder, better-tasting, with a more pleasing aroma.

When you try them you will see why Chesterfield gives millions of men and women more smoking pleasure . . . why THEY SATISFY
