## HOCKEY PRACTICE BEGINS MONDAY

COME ONE, COME ALL TO HOCKEY FIELD AT 4:00

### THIS GAME CALLED FOOTBALL

With cool weather just around the corner (perhaps ten blocks away), we'll all be donning our jumper dresses, long sleeved shirts, pill-boxes, spectator pumps, and nylons, to take off for various bowls, north, east, south, and west of this particular locality. Knowing so much about what to wear and so little about what's going on would be inconsistent, and so let's clear up a few points of this complicated manslaughter.

The "down" is probably the most used term in a game of this sort (except in such battles as Wake Forest vs. William Jewell, where it would no doubt be "touch-down"). Now this "down" business we hear so much about is merely the completion of a play by tackling the ball-carrier, the cessation of play by the referee, or the automatic becoming dead on the part of the ball.

The safety man is the player, who, on the defense, plays farthest back as a final defense to the goal (somewhat like a hockey goalie—which reminds me, hockey starts next week, and if you want to learn more about football, do come to practice). The safety man, on the offensive, follows the carrier to retrieve any possible fumble.

Here's a score chart — for to help you figure out your team's score before the official score-keepers get to it.

Touchdown .....	6 points
Point after touchdown .....	1 point
Field goal .....	3 points
Safety by opponents (touchback) .....	2 points
Forfeiture of game .....	1 point

See you October 5 at the Bowman Gray — with this newly acquired information, and those newly acquired clothes, Salem ought, in very few minutes, to become dictators over the entire place — you'll simply be reeking with knowledge.

### ALL-STAR PROGRAM FOR CHESTERFIELD

Many famous personalities appear in the Chesterfield Cigarette campaign for early fall, released this week by Liggett & Myers Tobacco Company.

This campaign will tell America that Chesterfield is "the smoker's cigarette, because it combines milder, cooler, better taste in one satisfying smoke."

From the screen world, Fred MacMurray, Robert Rapelye and Georgette McKee "star" for Chesterfield. Heading the list of sports celebrities is Gene Sarazan, great veteran of champion golf tournaments who tied for the National Open this year.

Three pretty aviatrixes from the newly organized Women Flyers of America and a cheerful World's Series baseball advertisement complete the schedule.

National magazines, billboards, cut-outs and the famous Chesterfield radio network programs, featuring Glenn Miller's Moonlight Serenade on CBS and Fred Waring's Pleasure Time on NBC, support the newspaper advertising.

One earthworm to another: Life is so fertile!

hostesses for the conscription camps. Then all you have to do is have dates with the soldiers and be taken to dances and parties," said the girl with one foot on a chair. "I think I'll volunteer for that branch of the service."

"Well, I just think it's a shame and Hitler's an old meanie for causing all this," said the girl with the box of chocolates.

"Of course, we could marry a man over 35 years old," said the girl who has just come in from a date.

"I think I'd rather take a chance on waiting five years or getting a boy who has just finished his draft training," said the girl in the striped pajamas.

"You'd better take what you you CAN take while the taking's good," said the girl who has just come in from a date. "You might as well go ahead and make a play for the boys who get deferments for one reason or another."

"But I don't want to marry any-status and civilization. We are in the first flush of a new era when

body with flat feet, or no teeth or anything like that," said the girl with the chocolates.

"Anyhow I think it's mighty fine and patriotic for us to be discussing things like matters of government and things," said the girl who was turning up the volume on the radio. At that moment the band was playing "You Are My Sunshine."

"Well, I think we ought to decide things for ourselves and get married when we want to to whoever is available, or join the army ourselves, or find somebody physically unfit, or marry an old man, or something — then we'll have the jump on those who just are waiting around," said the girl who has just come in from a date.

"Yes, everything's fair in love and war," said the girl with one foot on a chair.

"Yeah, and conscription too," said the girl in the striped pajamas.

THEY'RE COOLER, Milder, BETTER-TASTING

All over the country, more smokers are buying Chesterfields today than ever before because these Cooler, Better-Tasting and Definitely Milder cigarettes give them what they want. That's why smokers call Chesterfield the Smoker's Cigarette.

Smokers like yourself know they can depend on Chesterfield's Right Combination of Turkish and Domestic tobaccos for the best things of smoking. Chesterfield smokers get the benefits of every modern improvement in cigarette making.

BETTER MADE FOR BETTER SMOKING Here as seen in the new film "TOBACCO-LAND, U. S. A." is Chesterfield's electric detector. Twenty mechanical fingers examine each cigarette in a pack and if there is the slightest imperfection a light flashes and the entire pack is automatically ejected.
