### TOURNAMENT WINNERS

Last Friday was a big day for little Peggy Burnett of Roanoke, Va. On this day she became champion of the Freshmen tennis players by defeating Bonnie Angelo 6-2, 6-2. Peggy has shown great ability on the courts all year. Her lovehand drives are swift and well-placed, her serves are fast and well-timed, and her footwork is light and speedy. It was hard work getting there, but we all know that Peggy deserved to win.

Another hard fought battle took place on the tennis courts last Friday. Four Sophomores got together to play for the upper classmen's title. After three tense sets, Lindy Stokes and Kitty McCoy defeated Sarah Henry and Mary Lib Rand 6-3, 3-6, 6-4. The low opponents were even all the way through, in fact there were six deuce games played. The two finalists of last year's Freshman tournament combined to make the victorious pair. Congratulations again Kitty McCoy and Lindy Stokes.

### TALKATIVENESS

A lady recently scratched her self with a talking machine needle and died of lockjaw.

Close a girl's mouth and she'll talk through her nose.

"It is a mystery why a girl can't catch a ball like a boy," says Grandfather. But surely, a boy is so much bigger and easier to catch.

### COURTSHIP

We conclude that courtship is the period during which the girl decides whether or not she can do any better.
