IF WINTER IS HERE CAN SPRING . . . ?

By Ann Ewing

Although the past few days do not verify it, we all know that spring is just around the corner. Along with spring will come our annual badminton tournament, and along with this we will find our budding "badmintonists."

We now have the gym open on Saturday and Sunday afternoons from 2:30 until 4:00; so why not grab yourself a racket, a pair of tennis shoes, and a partner, and run on down to the gym to get that good old invigorating experience.

For those who don't know how to play, get up a foursome and learn; it takes little or no effort. For further particulars see Ruth Schnedl, our badminton manager. Until then practice hard and see what you can do in the tournament.

A STUDENT'S PLEA

Five hours on English,
Three to study history;
Where I'll find time—
To me is a mystery.

Classes all morn,
After rising at seven;
Lab—four hours,
Bed at eleven.

It takes time to eat
And go to our classes.
Studying religion—
Two hour's time passes.

Come on, Father Time,
What do you say?
Don't you think we need
A thirty-six hour day!

The radio is offering an education in good music these days. Listen to it.

PRELUDE TO SAFETY

Grant me a steady hand and a watchful eye,
That no man shall be hurt when I pass by.

Thou gavest life, and I pray no act of mine,
May take away or mar that gift of Thine.

Shelter those, dear Lord, who bear me company,
From the evils of fire and all calamity.

Teach me to use my car for others' need,
Nor miss through low of speed,
The beauties of Thy world; that thus I may,

With joy and courtesy go on my way. (Selected)

SYSTEM OF BASKETBALL PRACTICE CHANGED

After much thought and consideration concerning basketball practice, it has been decided by the physical education department that each class should have two practices a week for their own. This plan has been worked out to help the classes develop teams which have played together at practice. However, this does not mean that on the days the seniors have practice no one else can come. On the contrary the department wants other players to come. It would be useless for the seniors to have a practice if they did not have any opponents.

Heretofore it seems that players on the same team never came to practice on the same days. Miss Atkinson feels that this new plan will eliminate this unfortunate situation. Every player should consult the blackboard in the gymnasium as to the specific day on which her team will practice.

The full co-operation of every student is solicited to carry out this program. Let's show our appreciation to Miss Atkinson for her interest and helpfulness by putting this over.

This book **TOBACCOLAND * U * S * A *** gives thousands of smokers like yourself

the facts about tobacco and . . .

Chesterfield's
MILDER, BETTER TASTE

To the keen interest of the thousands of men and women who visit our Chesterfield factories, we owe the idea of publishing the book, "TOBACCOLAND, U. S. A." It is a comprehensive picture story about the growing, curing and processing of tobacco, telling you why Chesterfields are **MILDER, COOLER-SMOKING and BETTER-TASTING.**

We are proud of the hundreds of letters from smokers like yourself who have seen "TOBACCOLAND, U. S. A." Many have asked us to send copies to their friends. We would take pleasure in sending you a copy—just mail your request to Liggett & Myers Tobacco Co., 630 Fifth Avenue, New York, N. Y.

Capt. JOHN M. MILLER, America's No. 1 autogiro pilot and pioneer of the world's only wingless mail plane route between Camden, N. J. and the Philadelphia Post Office, is shown here enjoying Chesterfield's new interesting book "TOBACCOLAND, U. S. A."
