Visitor Illustrates Flower Arrangements

The Home Economics Club met Tuesday night in the Lizora Fortune Hanes Building. An interesting meeting was held with Mrs. Charles Griffith as guest speaker. She gave an illustrative talk on flower arrangements.

Mrs. Griffith's distinctive arrangements of spring flowers in naturalistic, Japanese, and modernistic forms well illustrated her points as she spoke. She not only told the club members of the basic principles of flower arrangement, but she also gave them many new and unusual ideas.

At the same meeting, a set of after dinner coffee cups was presented by the club to the Home Management House.
