

Science Is On The March Let's Keep Salem In Step

Science Fund Raising Campaign Receives Student Cooperation

A kick-off dinner given last Friday night in the Club Dining Room officially launched the Fund Raising Campaign for the new Science Building. Solicitations began formally on November 18, and they will continue through December 18 when the campaign will end. Tuesday morning in chapel Mr. Weinland outlined the immediate need of a new Science Building and plans for its future use. Connie Seoggin, president of the student body, presented to Mr. Weinland a check for \$100 from the Student Government Association, and the student body decided upon a goal of \$1500 for the science fund. At this time it was also announced that a Scientific Exhibition, given under the direction of the Department of Science in cooperation with the Lablings, would be held in Park Hall on November 20, 21, and 22 from 7:30 p. m. until 10 p. m.
