

# Activitus Tries Sure Cure; Seeks Poise And Allure

by Winkie Harris and Sybil Haskins

"Carramba," shouted Activitus, as she bit off the end of her cigar, "I've found it, the secret of every woman's success!"

A sigh of utter anguish came from the desk "OH, NO! Not that, anything but that! After that face lifting at the Bon Ton Salon, and your hair turning green from 'Oscar's ointment', it does look like you'd give up!" Legs La Rue crawled out of the depths of her Psychology book and gave her roommate several knowing looks.

"Ha! Double ha! John Paul Jones never gave up, why should I? Besides, this plan is fool-proof. It's a thirteen-day success course advertised in Better Beauty Magazine. Listen. 'Do You want personality, poise and a perfect figure? Do you want to know the trade secret of every glamor girl? The Pompadour beauty plan gives you all these and more as well. Below are given some of the simple instructions to be followed. Send for the complete success course which will be delivered to you FREE. Just give the postman Fifty (50) dollars upon delivery to cover cost of mailing."

For the first day, the diet is as follows: For breakfast: A large glass of prune juice, one toasted cracker and a glass of goat's milk. For lunch: avocado salad on a crisp lettuce leaf, one serving of kippered herring, a Ry-crisp and half an apricot. For dinner: one serving (small) of Rumanian goulash, two spanish onions (half-cooked) a glass of goat's milk and a Ry-crisp, with rice for dessert.

A few simple health rules should be followed in connection with this beauty plan heartily endorsed by BETTER BEAUTY magazine, the magazine for all women interested in themselves, Mmm-let's see. Walk four miles, get sixteen hours sleep, — . . . I'll skip all that and get to the exercises. Legs, read them out to me and I'll get on the floor and do 'em.

"O. K. it's not my hide. Lie prone, stiffen legs and hold them parallel to the floor for the count of fifty. One—two—three—four—"

"F'gosh sakes, can't you count any faster?"

"Fivesivseveightnineteneleven-tw—Acti, are you all right? What was that crash?"

"I'm only trying to be beautiful not join an acrobatic troupe. What did you think it was a thunder storm? My legs collapsed. What's next?"

"To reduce hips, lie prone and with arms held to sides, roll for thirty minutes. Start rolling."

"Well—all—I—can—say—is—there—must—be a quicker—way—to Aouch! Oh, woe! I'm ruined for life! Why didn't you tell me I was rolling straight to the door?"

"Oh, Acti, look at the next one, it's really a whiz. Stand on head, moving legs as though riding a bicycle. Wonderful for the waist!"

"Oh, No, not me. I can't even stand on my feet."

"Chicken, come on I'll prop you against the wall. You can surely do that. Up we go!"

"The least you could do is not be so blamed cheerful about the whole thing. Hey, there goes the phone. Legs—Come back here, I'm gonna fall. Legs—you wretch—oohhh!"

Acti got some beautiful get well cards and even a dozen red roses from Thaddeus Henry. But she was heard to mumble for weeks afterward "Beautiful goats from Rumanian Goulash exercising on a Ry-crisp! Bah, Humbug!"

## News Con'd

(Continued from page one)

America. These provisions are: (1) the power of the Congress to declare war, with the majority votes in both Houses, and (2) the power of the president to make treaties, "by and with the consent of the Senate," and "provided that two-thirds of the Senators present concur."

How to reconcile these two provisions with the realities of the world situation is the big problem.

## An Argument Con'd

Continued from page four that the abolishing of the Honor System may perhaps put the school in some danger, or at least put the Student Government to the trouble of another securing vote. I am far from presuming to affirm or think that the school is in danger at present, or as things now stand; but we know not how soon it may be when the Honor System is repealed.

To conclude: Whatever some may think of the great advantages to students by this favourite scheme, I do very much apprehend that in six months time after the act is passed for the extirpation of the Honor System, the tuition may fall at least one per cent. And since that is fifty times more than ever the wisdom of our college generation though fit to venture for the preservation of the Honor System, there is no reason why we should be at so great a loss, at two thousandths of a per cent merely for the sake of destroying it.

## How Modern can Jazz get?

Listen to Skitch Henderson's latest waxing of "CRAZY RHYTHM"—a Capitol Recording . . . and you'll know the answer!

One of the hottest of the oldies, "Crazy Rhythm", comes back with a sock, the way Skitch and his band revive it! Skitch Henderson is great at putting a smooth-modern touch on an old favorite. And when it comes to cigarettes, Skitch has another long-time favorite—Camels! Here's how Skitch plays it: "Camels are mild and full flavored. I've smoked Camels for years."

## How Mild can a cigarette be?

SMOKE CAMELS FOR 30 DAYS  
—and you'll know!

In a recent coast-to-coast test of hundreds of men and women who smoked only Camels for 30 days—an average of one to two packs a day—noted throat specialists, after making weekly examinations, reported

NOT ONE SINGLE CASE  
OF THROAT IRRITATION

due to smoking—

I'VE KNOWN THAT FOR YEARS, NANCY! AND I GO FOR CAMEL'S FULL, RICH FLAVOR, TOO!

HOW MILD CAN A CIGARETTE BE? WELL, SKITCH, THE CAMEL 30-DAY TEST CONVINCED ME THAT CAMELS ARE THE MILDTEST CIGARETTE I'VE EVER SMOKED!

It's real harmony when Skitch Henderson and lovely Nancy Reed, his featured vocalist, get together and sing the praises of Camel mildness.
