Taylor Of The Salemite Is Forever Tuat's Delight

by Tootsie Gillespie

If you take a cup of capability and intelligence, two-thirds of a cup of humor, four heaping tablespoons of versatility, mix well and bake in a hot oven of "push", nothing in the world but Carolyn variously known as Chief, Wordsworth, Casey and "Girl". Ever since her freshman year when Carolyn (and a few of her friends) talked the Strong seniors into believing there was a fire at 12:30 A. M. and rushed them outside, only to scream "April Fool!" out the window, she has been the outstanding enigma at Salem. The cold, dull facts of her life are known. She is Morehead City's own claim to fame, a child of beach, sand and study. At various times in her life, she has picked up such interests as playing the clarinet, giving up the hymnal in boogie time, swimming (just like a fish), taking three showers a day, keeping up with the latest in reading, making without fail the Dean's List, the Honor Society and Who's Who, and incidentally, developing a propensity for editing the **Salemite**.

Carolyn of the slamming doors and the fast walk has found time (and talent) to be on the basketball, softball and hockey varsities, (resulting in a bright yellow "S")
