

## Pooser Peeks in Closets; Finds Wedding Ring Skirt

by Sis Pooser

For final proof that no clothes are quite as lovely and chic as fall clothes, just take a look at the new fall fashions that Salemites are wearing.

**Betty Griffin** is a knockout in her teal-blue suit-dress trimmed with rhinestones. With it she wears a matching hat and black suede accessories.

**Betsy Farmer** has a new bronze satin cocktail dress which features a roll-back collar and a small, matching hat.

**Carolyn Harris'** new black dress is taffeta and has push-up sleeves and a wedding ring skirt.

**Dena Karres** and **Fay Stickney** have been busy this summer with scissors and needle. Dena made a dark red suit for her fall wardrobe, while Fay's creation is a gray, turtle-necked dress with a Stuart-plaid stole and cloche.

**Daisy Chonis** has matched a tiny, beaded hat with her rust satin dress as further proof that matching hats are very stylish this year.

One of the prettiest and most popular fall colors is burnt cinnamon. **Betty Parks'** new hat of that color is trimmed in black velvet and soft feathers—a striking combination. Speaking of feathers, have you seen **Maggie Hudson's** taupe hat trimmed with gray, brown and tan pigeon-feathers? The short veil is taupe, too.

For very, dressy occasions **"Timpy" St. Clair** is wearing a black crepe cocktail dress. The bodice features two shades of rose and a low, round neckline.

**Dottie Wilson's** favorite is gray lace with a low, heart-shaped neckline.

**Julia Parker** has a tricky new suit-dress; the jacket buttons up to the neck over a beige lace bodice.

**Sara Hamrick** wears an imported mausoline hat with her mauve satin.

**Margaret Thomas** likes satin, too. Her blue satin tow-piece dress has unpressed pleats, a stand-up collar, and studs buttoning down the front.

Gabardine is always popular for fall suits. **Vicky Hamilton's** new suit is beige and **Cacky Reid** has a striking gray outfit with tiny red stripes.

**Sally Senter, Dee Allen** and **Jane Huss** are the lucky gals with new fur coats. From here it looks like a cold winter, too.

Corduroy is a campus favorite for the classroom. **Jean Davenport** has a beige suit with a pale pink cast. The jacket buttons under her chin and has eye-catching flaps on both sides.

**Elsie Macon** prefers light woolen for class. The top is tiny checks—rust and dark green—and the skirt is dark green corduroy.

**Gene Stokes** will be wearing her dark green fitted coat to football games this fall. It features a belted back, big roomy pockets, and deep cuffs.

Judging from the clothes seen around school, Salemites are off to another year of fashion-beauty and clothes-consciousness.

## All Pictures Scheduled Next Week

On Monday of next week, the **Sights and Insights** will begin taking individual class pictures to be used in the '49-'50 edition of the Salem annual.

The pictures will be taken according to a strict schedule which has already been set up. The annual staff asks that all students give their full cooperation by remembering their individual appointments to have their pictures taken and that they make it a point to be on time for their appointment.

The staff feels sure that each girl will do her part to make this year's annual an excellent one, and not pages spotted with blank spaces caused by girls who were absent-minded or tardy.

For their pictures Juniors, Sophomores, and Freshmen are requested to wear white blouses of their choice. Seniors are asked to wear suits.
