

Pierrettes

(Continued from page one)
ember 14th, is the date of the first complete run-through. There will be costume and technical rehearsals followed by three dress rehearsals.

Liliom is a project of the Pierettes and English 201. The crews are made up of members of both groups and the Freshman Salem Players. There is yet a great deal of work to be done. If you like to paint, there is ample carousel scenery waiting for you; if you want to work on properties or costumes collect your ideas together and be ready to present them; if you're interested in the stage crew (arranging scenery the night of the play) drag out blue jeans and sharpen your muscles. Regardless of your choice, check by Miss Reigner's office and give her your name. you'll get a store of fun and invaluable experience.

Lauterbach

(Continued from page one)
sian and American nations in their country which is a great hardship on the Koreans; especially since we had promised them their liberty. Students of U. S. in World Affairs will note that this is an age old problem.

In Southeastern Asia he said that Mr. Truman's four point program was a beginning step but it must be administered with good statesmanship. Here too we must encourage nationalism actively; we must have land and tax reforms, and again we need "to swipe the Communist program".

Only in the Philippines have we obtained some prestige in the East. According to Mr. Lauterbach this was due to the fact that we have given them the political freedom, which we promised.

Therefore, we must beat Russia at her own game in the East and we must remember that "we cannot live alone in peace."
