

Pierrettes Change Policy

In a recent meeting of the Pierrettes certain changes were made in the policy of the organization.

It was decided to dispense with dues since the Pierrettes has become a working organization rather than a social one. Also the office of vice-president was dissolved.

The slate of officers for the year was announced as follows: business manager, Anne Lowe; technical director, Jeanne Harrison; costumes, Ann Simpson; lighting, Eleanor Johnson; scrapbook, Eleanor Fry; decorations, Connie Murray; publicity, Fae Deaton and scene designer, Bryan Balfour.

Tentative plans made for the semester include a three act play

to be presented Nov. 15 and 16, a Carnival Day to help raise funds for a new curtain in Old Chapel and a workshop production Jan. 15.

Television Room Opened

The television room in Strong dormitory is now open every night from 7:00 p.m. until 10:30 p.m.

Chairs may be found in the closet on the left of the entrance door. Dean Heidbreder reminds students to keep the volume low since the room will be used during quiet hours.

Sawyer Speaks

(Continued From Page One)

speaker, commented on the founding of Salem Female Academy in 1772, and compared Founder's Day to a glance in the rear view mirror of a car moving forward.

Ministers of the Southern Province of the Moravian Church were special guests at assembly.
