

Martin Exhibit Opens College Art Forum

The Salem College Art Gallery opened its 1951-52 season Wednesday night with an exhibition of paintings by Mrs. Harry Martin. An open forum led by Warren F. Spencer, history instructor, was held.

Mrs. Martin is the wife of Harry Martin, Salem instructor in sociology and economics. She has studied at Agnes Scott College and received her M. A. at the University of Georgia. She has also studied at Ohio State and has taught at the University of Georgia and at Huntingdon College at Montgomery, Ala.

The forum consisted of questions and answers. Others who took part in the discussion were Mrs. Martin; Dr. H. Michael Lewis, professor of modern languages; Mr. Edwin Shewmake, assistant professor of fine arts, and Mr. Frank Tortman, local artist.

Questions from the floor began a lengthy informal discussion of the reasons that artists paint. Dr. Lewis' explanation was the artist sprang from a desire to be an individual.

Mrs. Martin told why she had painted "Hen Talk" in charcoal. She added that she lay on the ground with chickens to get the proper perspective.

Mr. Shewmake said, "Mrs. Martin's paintings are extremely interesting. I am sure all students and faculty members will enjoy the exhibition." This show will be open until Dec. 15.

Robert Hanes Praises Science Building In Dedication Speech

Salem's new Science Building was formally dedicated last Wednesday afternoon by Bishop Kenneth Pfohl, chairman of the Board of Trustees.

Robert M. Hanes, president of the Wachovia Bank and Trust Co., was the principal speaker. Talking on the history of science at Salem, Mr. Hanes pointed out that the new building had been "thoughtfully designed, well constructed and carefully built." He added, however, that an educational institution is never fully completed.

Mr. Clark Starbuck, chairman of bute to the 1803 persons and bus-the dedication committee, paid trine-ness which had contributed to the Science Building. Mrs. Robert McCriston spoke for the alumnae concerning the donation of equip-ment to the Home Ec. Department.

This equipment was given in mem-ory of Mrs. Elizabeth Ormsby Meinung, who was head of the Home Ec. Department and taught here for 30 years.

The greeting was given by Dr. Dale H. Gramley, president of Salem. Dr. Gramley's talk was

Jane Fearing

(Continued From Page One) Committees were named by Jane Fearing to complete organization plans. On the constitution committee are Ann Kester, Audrey Lindley, Elaine Williams, Bobby Kuss and Bryan Balfour. The other overall committee is headed by Florence Swindell. As part of this committee Anne Miller is chairman of the current affairs in art and Carolyn Dobson is entertainment chairman. Betty Tyler is publicity chairman for the outside activities.

The club is opened for any student interested in any phase of art. Mr. E. A. Shewmake, head of the art department, said that he hopes everyone at Salem will look into the club's activities and join if at all interested. The new president stated that she hoped this club will bring to the campus of Salem College a better understanding of art and become a major campus organization.

The petition to found such a club was approved last Wednesday.

followed by the Choral Ensemble singing the college Alma Mater.

After the dedication ceremony, the spectators were invited to inspect the Science Building.

The total cost of the building was \$210,000. Of this sum, all but \$50,000 came from local community friends and alumnae. The General Education Board of New York City contributed \$50,000. Approximately \$40,000 will be spent for new equipment to be added to that now in use.

All the furnishings in the building are entirely new. The main lecture room has graduated seats and a new screen for showing movies and slides.

NewsBriefs

Jean Calhoun was elected as a sophomore representative to the Student Council at a sophomore class meeting last week.

The Future Teachers of America organization met last Tuesday night in the education room in South. After annual pictures were taken, the practice teachers presented an informal program.

Treasurer Loma Faye Cuthbertson announced a meeting of a district F. T. A. meeting to be held in Greensboro Nov. 1.

"Y" Vespers will be held Sunday night at 6:30 in the Friendship Rooms of Strong. The speaker will be Mrs. Heidbreder. She has chosen as her topic "Are Your Values Warped?"

Twenty-four members of the Executive Board of the Salem Alum-

nae Association and six Alumnae trustees met in the Strong Friendship rooms Oct. 17 for the fall business session.

The board attended a luncheon in the club dining room at which Dr. and Mrs. Gramley were honor guests.

Dr. Anne Parnell, president of Sweetbriar College was on campus last Thursday. She spoke for the A. A. U. W. meeting at 8:00 p.m.

Major Christine D. Ehlers of the Women's Medical Specialist Corps will be on campus Oct. 23.

Her purpose is to acquaint college women who are majoring in biological science, physical education, dietetics and art with the opportunities offered by the Women's Medical Specialist Corp.

Major Ehlers will speak in Strong dormitory Oct. 23 at 6:30. All students who are interested are urged to be present.

Campus Interviews on Cigarette Tests

No. 22...THE WOODPECKER

Woodrow almost bit off more than he could chew when he tackled the cigarette tests! But he pecked away 'til he smoked out the truth: Such an important item as mildness can't be tossed off in a fleeting second! A "swift sniff" or a "perfunctory puff" proves practically nothing! He, like millions of smokers, found one test that doesn't leave you up a tree.

It's the sensible test . . . the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke—on a day-after-day basis. No snap judgments! Once you've enjoyed Camels for 30 days in your "T-Zone" (T for Throat, T for Taste), you'll see why...

After all the Mildness tests...

Camel leads all other brands by billions
