

Marian Lewis Paralyzed And Surprised With New Office

Marian Lewis

By Lola Dawson

"I couldn't even move. They shoved me out there in front of everybody. No, I'm not scared. I should be. I guess I will be after I actually get going." Marian grinned as she recalled her first reaction to being elected president of Student Government.

Even at a 7:30 a.m. interview, Marian was full of energy as she had a cup of coffee in one hand and expressed her surprise with the other.

Modeling When Elected

Marian is perhaps the first Student Government president to be elected while wearing a purple velvet dress, green hat and white high heeled summer shoes with socks. While the votes were being counted she was taking part in the I. R. S. mock fashion show.

The Raeford blond is taking 19½ hours this semester and she is majoring in religious music. A member of the A. A. and "Y" cabinets for three years, Marian is president of the Junior class.

Plans To Tour Europe

When asked what she did with her summers, Marian wrinkled her brow and said: "Well, next summer I am going to Europe with Miss Byrd's group. Last summer I went to summer school and the summer before that I broke my foot and played helpless for three months."

Then Marian paused. "And what about the summer following grad-

The Freshman Class made plans at a meeting last Monday for a talent show to be given Saturday night, March 22, as a part of Parent's Week-end. The program will be held in Davy and will provide informal entertainment for the parents after dinner in the club dining room.

The talent show will feature a skit and various musical numbers.

At the same meeting tentative plans were made for a freshman chapel program, but no definite date has been set.

May Pageant Will Have Toyland Theme

The May Day Program preparations are now under way. The dresses for the May Court are being selected, and work is being done on the script. This year's May Day theme will not be rustic lovers, but will be about children, pandas and animals.

The Modern Dance Club is in charge of the dances, and they will begin their rehearsals the middle of March. If anyone is interested in being in the dances, she is asked to sign-up on the sheets that will be placed in each dorm, Betty Parks, May Day chairman, has announced.

Of All Things

They eat out because they have a ride and hate to miss the fun. They eat at birthday parties because one is not socially accepted unless she talks at a birthday party with food in her mouth.

Everyone eats. It's necessary—it's fun—and it's fattening. When that newly acquired pound joins forces with the other old pounds, the girl begins to think "diet" for a few days. A few days is all that it will last, for "breathes there a girl with soul so dead, who to a chocolate cake hath said, 'I'm on a diet!'"

After an evening, or a week, or a year, you get tired of her good-looking legs and wish the woman had some sense.

Anna Katherine is a day student from Elkin. She lives in Winston-Salem with her aunt during the school year. She was vice-president of her freshman class last year and is active in the Methodist student organization. She is the daughter of Mr. and Mrs. Henry Dobson of Elkin.

Flu Epidemic Light

Salem was comparatively lightly hit by the recent flu epidemic. City schools were forced to close last Feb. 25 at the height of the epidemic.

According to a report from the infirmary, six girls were forced to remain in bed with the flu. Confinement periods varied from two days to a week.

Sophomores To Be Tested

A meeting of all sophomores will be held on March 11 at 2:00 p.m. in Old Chapel. At this time Dean Hixson will speak to the sophomores on choosing their majors and vocational interests.

The purpose of this meeting is to help the individual to know her abilities and to choose her major field.

Tests will be given on March 13, 20 and 25 for personality, vocational interests, general culture and contemporary affairs. Details of this meeting will be disclosed at a later date.

Campus Interviews on Cigarette Tests

No. 36...THE OTTER

A usually mild-mannered and easy-going lad, he really made the fur fly when he realized the trickiness of most of the so-called cigarette mildness tests! He knew there was one honest test of cigarette mildness. Millions of smokers everywhere know, too — there's one true test!

It's the sensible test . . . the 30-Day Camel Mildness Test, which simply asks you to try Camels as your steady smoke — on a pack-after-pack, day-after-day basis. No snap judgments! Once you've tried Camels in your "T-Zone" (T for Throat, T for Taste), you'll see why . . .

After all the Mildness Tests . . .
